No.1 CAR PARK CLOSED FOR THREE DAYS

Car Park No. 1 will be closed from early morning on Thursday, April 3, until Saturday, April 5.

Estate Manager, Mr. J. F. Bell, said today that during this period the contractors would be sealing all four bays of this car park and the adjacent roads.

He said: "These arrangements mean that there will be a severe shortage of parking space on Thursday and Friday of this week, but some of the parking bays may be available for use by Friday afternoon."
