1980 was essentially a period of consolidation for the Union, following the completion of major building developments — especially in the Bar and Bistro areas — during the previous year.

A significant change in the usage of at least one area of the Union Building was brought about by the creation of a Women's Room in the space vacated by the transfer of responsibility for the storage and hire of academic dress from the Union to the University. The Women's Room is intended to provide a social area where all women on campus have the opportunity to meet together in a welcoming atmosphere to discuss informally matters of common concern and interest and to obtain advice on a variety of matters pertaining to women's rights and welfare.

The Board has also given consideration to improving facilities for the disabled, and has been pleased to pledge its support for the University's plan to construct a toilet for the handicapped as an extension to the Union Building. A full accessibility survey of the building, to be carried out by the Illawarra Handicapped Trust, has also been arranged.

A number of other improvements to the building are also under consideration, including betterment of the acoustics in the Union Hall and the installation of an improved film-projection sound-system which follows from recommendations contained in a report specially commissioned by the Union from a firm of acoustic consultants.

One major building development which did occur and in which the Union had significant interests, was the opening in August of the purpose-built 25-place Parents' Club Childcare Centre. After years of managing in makeshift accommodation it was particularly pleasing to see "Kids' Uni" finally established in extremely attractive premises, which should do much to improve accessibility to University for parents with young children. The Union will continue to provide administrative assistance to "Kids' Uni", together with some financial support.

The range of activities offered to members continued to be improved. A programme of workshop courses was organised in each session, and for the first time the Union worked in conjunction with the local branch of the Workers' Educational Association to establish a series of joint classes. A number of exhibitions, concerts and other cultural performances were promoted throughout the year, and musical entertainment was provided on Thursday evenings in the Southern Lounge on a fairly regular basis. The Union's affiliated Clubs and Societies also continued to offer a variety of opportunities for members' participation. Full details of all activities held throughout the year are listed later in the report.

One of the highlights of the year was the Union Annual Dinner in September, at which the guest speaker, Mr. Bob Hawke, delivered a witty and penetrating address to an audience of nearly 350 people.
MEMBERSHIP

In 1980 there were 2871 student members (2813 in 1979) and 599 staff members. The total of life members at the end of 1980 was 485.

GENERAL MEETING

The Annual General Meeting of the Union was held in the Common Room on 10th April 1980 and twenty-five members were present – a disappointing attendance compared to sixty-four at the 1979 Annual General Meeting.

Under business arising from the previous year the Chairperson reported that the Board had, after due consideration, resolved not to alter the present fee structure in order to introduce differential rates for full-time and part-time students.

Considerable discussion took place concerning opportunities for casual employment within the Union for students, and subsequently the Board has kept policy relating to this matter under review.

The Annual Report containing financial statements for the year ended 31st December 1979 and the change in name of the auditors was noted.

SECRETARY-MANAGER

The Union was extremely sorry to lose the services of Mrs. H. Susan Stevenson as Secretary-Manager in August, as a result of her decision to move to Tasmania with her husband to commence a farming-venture. Mrs. Stevenson had been Secretary-Manager since November 1976 and was responsible for steering the Union through an extremely important period of its development. In recognition of her considerable service to the Union the Board granted Mrs. Stevenson Honorary Life Membership.

In October Mr. Geoffrey Williams took up duties as the new Secretary-Manager. Prior to coming to Wollongong Mr. Williams was Chief Administrative Officer of Barnfield College at Luton in England, and previously had served as Assistant Union Manager at the University of Aston in Birmingham and Union Manager at Edge Hill College of Higher Education, Lancashire.

Mr. Peter Bottele, Union Accountant, was appointed as Acting Secretary-Manager for the period between Mrs. Stevenson's departure and Mr. Williams' arrival.
Again the Union completed the year ending 31st December 1980 successfully with a surplus of income over expenditure, of $19,255.80 being transferred to accumulated funds. This again will allow the Union to maintain and replace the furniture, fittings and equipment as required and to make general improvements to the Union rooms and facilities.

The main points to be noted from the financial statements are as follows:

1. The turnover for 1980 was $917,147 compared to $786,000 in 1979, indicating greater usage of Union facilities after accounting for inflation.

2. Catering operations resulted in a deficit of $5,506 on a turnover of $573,079 compared to $6,758 in 1979. Again the Union followed its policy of using profits in the bar and function operations ($50,559 in 1980 compared to $39,068 in 1979) to subsidise food prices in the servery take-away and coffee bar services and cover catering overhead costs.

3. The Union Shop traded successfully in 1980 to make a profit of $8,365 compared to $6,862 in 1979 with an increase in turnover of 21.7%.

4. A change in the format of the accounts was made in line with the auditor's recommendation, transferring theatre fund and capital investment accounts from current liabilities to accumulated funds and showing rental of Union premises in the income and expenditure account.

5. A further adjustment was made in the accounts for 1980 in writing back depreciation over-provided over the years so there is a full reconciliation of the plant register to the balance sheet accounts. This was a finalisation of the exercise carried out in 1979 where all the Union's fixed assets (plant, equipment, furniture and fittings purchased since 1965) not able to be verified as still usable or still on hand in the Union Buildings were written out of the books.

6. General administrative expenditures were in line with 1979 levels after accounting for inflation over 1980 with the major item, administrative wages and salaries increasing by 12.7%, which is slightly above the inflation level, as there was an additional staff member (a casual cleaner in the Sports Centre).

7. Academic dress no longer appears in the balance sheet as it was purchased and taken over by the University administration in 1980.

Again, though faced with static student numbers and continual cost increases in all areas of its operation, the Union has been able to maintain a stable financial position through efficient use of facilities and controls over expenditure.

Surplus from Shop Trading transferred to Income and Expenditure Account
NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 31ST DECEMBER, 1980

1. STATEMENT OF ACCOUNTING METHODS

The accounting methods adopted by the Union are in accord with the accounting standards required by the Australian accounting bodies and/or by law. The accounts have been prepared primarily on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Non-current assets have been written down to replacement value where required.

Set out below is a summary of the significant accounting methods adopted by the Union and, in particular, the accounting method adopted where there exists a choice between two or more acceptable methods.

DEPRECIATION

Depreciation is provided on all fixed assets so as to write off the assets progressively over their estimated economic life. The straight line method of depreciation has been used.

STOCK VALUATIONS

Stock has been valued at cost. Cost is based on the first-in first-out principle and includes expenditure incurred in acquiring the stock and bringing it to the existing condition and location.

These bases of valuation are consistent with those of previous years.

2. A contingent liability exists re the purchase of bar equipment from Tooth & Co. Limited, initially for $5,000, which is being repaid over ten years by way of a discount of five cents per gallon purchased. The amount of the contingency will be the balance of the $5,000 unpaid at the end of each period.

3. ANNUAL DINNER

The Annual Dinner net cost is shown in Programmed Activities.

4. A full reconciliation of all plant and equipment was completed in 1980 which resulted in the necessity to write back depreciation over-provided in respect of previous years by $8,555.00.
AUDITOR'S REPORT

During 1980 the Film Group conducted 48 screenings in the Union.
At the beginning of the year there were twelve affiliated clubs, viz.: Camera Club, Debating Society, Drama Society, Film Group, French Club, Geographical Society, Geological Society, Historical Society, Italian Club, Metallurgical Society, Musical Society and the Parents' Club. No applications for new clubs for affiliation were received. The following affiliated clubs and societies have contributed reports of their activities.

**CAMERA CLUB - President: Murray Robinson**

In 1980 the Camera Club continued to be active throughout the year as it has done since its foundation in 1974.

The most significant event has been the completion of the Camera Club's own darkroom in the Union Building. This has allowed for a dramatic increase in the level of usage over our previous "borrowed" premises. Our thanks once again go to the Union Staff for administering the darkroom usage.

The Camera Club held eight meetings throughout the year at which members were invited to submit prints and slides on specified topics. The best of these were judged at the final meeting to determine the print and slide of the year.

In September we presented the Seventh Annual Photographic Exhibition which was held in the Union Building. The quality of the prints and the presentation of these were both excellent.

Some members took advantage of the Union sponsored darkroom workshop which was conducted by a member of the Club.

The Club was able to supply members with photographic supplies and equipment through bulk purchasing.

Overall the Camera Club has had a successful year through the level and diversity of its activities.

**DRAMA SOCIETY - President: David Robbins**

The Drama Society's second session activities were a mixed and varied lot, ranging from holding workshops to bringing a professional theatre company to the campus.

Two workshops were held which basically catered for society members. These were, a film-making workshop and a mime and movement workshop.

A highlight of the session was the Drama Society making professional theatre more accessible to the students and staff of Wollongong University when the Sydney-based Fata Margana Company staged two contemporary British one act plays, "The Immortalist" and "Ball Boys" in the Union Common Room. The Drama Society subsidised substantially the cost of the production to hold ticket prices at a rock bottom price of $2. The night was a great success with the plays being enthusiastically received by the one hundred or so audience members.

For the past few years the final society activity of the year has been the staging of the University Revue. This was again the case in 1980 when the society combined with the English Department to present what would more accurately be termed, an evening of drama
rather than strictly a review. Items like Jean Claude Van Itallie's play "The Serpent" appeared alongside strictly home-grown (Wollongong) revue items such as the hilarious "Dante's Inferno" and "Wolly Gong".

FILM GROUP - Committee Member: Peter Castle

1980 proved to be the most successful year ever for the Film Group. There were 48 screenings throughout the year which attracted over 8,800 attendances. This enabled the Group to end the year in a very strong financial position. A new stereo sound system costing over $10,000 has been purchased (in 1981) with this money, overcoming one of the major areas of complaint from patrons, namely the poor quality of sound reproduction. This installation will be eventually assisted by further modifications to the hall proper. If 1981 proves to be as successful as 1980, the Film Group will be able to tackle some of the other problem areas in presentation quality.

The Committee (Peter Castle, Steve Harrison, Ross Nealon and Ian Piper) thanks the small band of enthusiastic members who have assisted in operations during 1980.

To all our patrons, thank you for your support in 1980 and here's hoping that 1981 will be a great year for movies.

GEOLOGICAL SOCIETY - President: Adrian Hutton

During the year Geolsoc's activities included meetings and excursions. Average attendance at meetings were 15 and average attendance at excursions was 8. Guest speakers were invited to each meeting and each provided an interesting discourse on a topic usually related to their research interests.

Guests speakers were:-

April - Dr. Brian Jones and Aviars Depers
May - Assoc. Prof. Chris Powell, Macquarie University
August - Dr. Bruce Radke, Bureau of Mineral Resources
September - Dr. Gary Powis, Esso Australia

Two weekend excursions were held and two one day excursions were organised with University staff. The latter were aimed at getting better liaison between courses and Geolsoc. The excursions were:-

April - Corunna Lake (weekend)
- Woodlawn ore deposit (one day)
May - Burrarorang Coal Mine (one day)
August - Kelly's Point (weekend)

During the year the main social function was the Annual Barbecue and wine bottling. Sales of wine covered expenses for this function.

In November the Geolsoc magazine was published and proved to be a success.

HISTORICAL SOCIETY - Secretary: Stuart Piggin

During 1980 the Historical Society adopted a new constitution. The Connor Memorial Lecture was also held. This function, held in the Union Hall, attracted 600 people. The lecture was given by Mr. R.J. Hawke. A copy of the lecture was sent to Mr. Hawke for his corrections with a view to publication. As yet no reply has been received from Mr. Hawke and so the society has not yet published volume 4 of its journal.
ITALIAN CLUB - President: Syd Bristow

1980 dawned brightly for the Italian Club. The election of officers was very soon followed by a barbecue in the National Park at Audley although this would have been more cosy had we been more specific as to which side of the creek was to be the venue.

A stunning blow to the Club and its members was occasioned by the resignation of Frank Carida as our President and, indeed, his complete withdrawal from the University.

Although we were able to see a number of films on Italy by courtesy of Alitalia, in the main, the activities which members attended were those sponsored by other groups such as the Wollongong Chapter of the Dante Alighieri and the Italian Institute of Culture, Sydney.

METALLURGICAL SOCIETY - President: R.J. Doherty

The 1980 general membership of the Metallurgical Society was 31. The Annual General Meeting was held on the evening of Tuesday, 18th March, at which office-bearers were elected.

It was successfully moved that the Metallurgical Society prize be removed from the list of academic awards and, in future, be awarded for outstanding contribution to non-academic aspects of campus life, including the Metallurgical Society, with eligible candidates having achieved adequate progress in subjects undertaken during the year.

The first social function of the year was a barbecue held in the Sports Pavilion on the evening of Friday, 11th April. The theme of the evening was "A Welcome to First Year Metallurgy Students", with all such students being admitted free. The response was good with a total of 60 people in attendance, including several First Year students, all of whom decided to join the Society.

To mark the end of Session 1, a barbecue was held in the Sports Pavilion on the evening of Friday, 4th July. The cold and windy night that prevailed did not dampen the spirits of the 35 people in attendance.

A presentation dinner, at which the 1979 Metallurgy prizes were presented, was held in the Union Bistro on the evening of Thursday, 21st August. Ross Smith received the Australian Iron & Steel Award, Dave Mellor the John Lysaght's Award and Lynann Clapham the Darryl Condon Memorial Prize. Mr. Bruce Barnsley (Manager, Technical Services, A.I. & S.) was in attendance to present his Company's award.

On Friday, 22nd August, a lunchtime barbecue was held with a good attendance by members.

The year's functions concluded with the Annual Dinner Dance which was held at Almonte's Restaurant on the evening of Friday, 31st October, with 58 people in attendance. During the course of the evening, the inaugural Metallurgy Society prize under the new conditions of its award was presented. The inaugural winner was Neil Kaye who received a fine set of wine glasses as a trophy.

Also, during this evening, the winner of the 1980 Trebor Snibor Prize was named. Once again, this traditional award was keenly contested with twelve final nominations. The judges' task was extremely difficult but, in the end, Dave Bendeich emerged as the winner.
It is felt that the Society made a move in the right direction by holding all 1980's functions as mixed functions.

The Society's newsletter, "Fine Focus", was published early in the year and was well received by both members and aspiring members.

Finally, I wish to extend my personal gratitude to the Patron, Committee and Membership for their very active support of the Society throughout 1980 and wish the incoming committee and the Society every success in 1981 and into the future.

MUSICAL SOCIETY - President: Abe Segal

Activities for 1980 were restricted to four concerts during second session.

These were:

- 9th September: Piano Recital by Andrew Snedden
- 7th October: Jazz Concert by "Straight-Ahead"
- 14th October: Violin and Piano Recital by Richard Tognetti and Nan Price
- 21st October: Vocal Recital by Michelle Eve and Alice Fitzsummons

It is planned to arrange several concerts on a regular basis during 1981.

PARENTS' CLUB - President: Kim Draisma

The child care facilities provided by the Parents' Club have become an essential service to many members of the University Union. The Child Care Centre operated from the Counselling Hut between January and August, and after that we made the big move to modern premises on the site of old Kids' Uni. After old Kids' Uni. was destroyed by fire, applications for funds were made to both Commonwealth and State Governments, but no funding was forthcoming.

Approximately 70 members of the Union were members of the Parents' Club in 1980. Of the 70 members approximately 95% were students at the University of Wollongong.

Kids' Uni. was open throughout the vacation breaks so that a continuous service was provided for students and staff. Kids' Uni. was closed from Christmas Eve till the first week in February to allow staff to take their annual vacation.

Kids' Uni. has a staff of five, four of whom work as casual staff members. Our Supervisor was trained as a Scottish Nursery Nurse, and is experienced with socially, intellectually and emotionally disadvantaged children. We will employ during 1981 a teacher with a diploma in early childhood education, to give our pre-schoolers a developmentally stimulating environment; she has three children of her own. We employ one general and midwifery trained nurse, and two general trained nurses. One of our nurses has two children, and two have five children each. Our staff with their combined practical experience through their family lives and formal training offer a warm happy environment coupled with professional care.
From the support given to us by the University, the Union, the Students' Representative Council and University Community in general, it is obvious that Kids' Uni. is regarded as an essential part of the University campus. In 1981 we hope that we will be able to continue to fulfil our aims and objectives by providing accessible child care on campus for student parents and Union members.

HONORARY LIFE MEMBERS

Honorary Life Members of the Union are: Dr. F.M. Matthews, Mr. I.L. Dunn and Mrs. H.S. Stevenson.

PERSONNEL

The full-time staff of the Union in 1980 (which provided services in addition to the Sports Association) comprised:

- Accountant: Peter Bottele, BCom
- Secretary: Lorna Koetz
- Accounts Clerk: Mena Barrett
- Clerk/Stenographer: Shirley Withers
- Receptionist/Typist: Leigh Arndell
- Function/Bar Manager: Gerry Stuart-Street (to 31.12.80)
- Bar Stewardess: Pat Williams
- Barman/Cellarman: Colin Hardcastle (from 26.5.80)
- Catering Supervisor: Val Barnhill
- Chef: Trevor Allen
- Assistant Chef: Sheila Park
- Apprentice Chef: Syd Knight
- Crew Chief: Mick Burling
- Attendant/Cleaner: Sid Bentley
- Attendant/Cleaner: Phil Schoupp
- Curator (seconded by University): Bill Mintram (to 30.6.80)
- Head Groundsman (seconded by University): Harold Johnson (from 5.6.80)

In addition to the change in Secretary-Manager, the Union was also sad to lose the services of Mr. Gerry Stuart-Street as Function and Bar Manager. Mr. Stuart-Street, who decided to take an early retirement at the end of the year, was one of the Union's longest serving members of staff, having been appointed in February 1970, and had done much to build up the high reputation of the Union's function trade.

Another significant loss was caused by the retirement of Bill Mintram as Curator of Playing Fields in mid-year, after ten years of secondment to the Union and Sports Association by the University. During this period, largely through Bill's efforts, the Playing Fields were developed to a very high standard and are now considered amongst the best in the Illawarra.
During the early part of the year an organisational survey of Union staffing was carried out by Mr. C.R. Horne - a member of the University's academic staff with considerable experience in the field of management consultancy - and arising out of his report the Board decided to create a full-time post of Cellarman-Barman. The Union was pleased to obtain the services of Mr. Colin Hardcastle with effect from 26th May 1980 for this position.

CONCLUDING COMMENTS

At the end of 1980 the Union stands poised for an interesting period in its history. The past five or six years have been marked by major developments in the Union's growth, in keeping with the early years of a new University, which have seen the Union Building progressively expanded and a basic range of Union services established. All indicators, however, would suggest that this phase of rapid initial growth is now coming to an end, and in the foreseeable future it would appear highly unlikely that any funding will be available for sizable additions to the Union facilities or for major expansion of services.

The lack of any immediate prospect for growth, however, should not be taken as a sign that no prospect for development exists. It is indeed at just such a point where an organisation passes from youthful growth to mature stability that important opportunities exist for re-examining existing policies and goals and for re-directing efforts for the future.

During 1981 the Union, therefore, has the exciting and challenging opportunity not only of reviewing its current range of services and use of facilities to ascertain whether they satisfy the identifiable requirements of the membership in the 1980's, but also of reconsidering the whole range of ways in which the Union can play an essential role in the life of the University.

On behalf of the Board of Management

J.D. BLACK
Chairperson
