

CAMPUS NEWS & INSTITUTE BULLETIN COMBINE

This edition of Campus News represents a combination of the original University Campus News and the Institute of Education Bulletin. The "new" Campus News will be published fortnightly and is designed to keep staff informed about what is happening in the University and Advanced Education Sectors of the federated University of Wollongong.

The format is under review. This is a rushed edition to bring staff up to date. Changes in presentation will occur, but a Campus News will be produced fortnightly from 12th February. Please take advantage of the opportunity to make known developments in your area. Material should be left in the Student Placement and Public Relations Unit, ground floor, main Administration Building.

INCREASED INTEREST IN TEACHER EDUCATION COURSES

The Secretary of the Wollongong Institute of Education Mr. Trevor Brew said today that the number of applicants selecting Primary, Secondary Mathematics and Secondary English/History as their first preference was higher than in 1981 and N.S.W. Higher School Certificate cut off marks had been increased to 240. This was he felt due to a more favourable outlook for employment in some areas of the teaching profession. In particular the Institute had been asked by the Higher Education Board to encourage enrolments in Secondary Mathematics Courses.

The degree in Physical and Health Education continued to attract a high standard of student. Applicants were selected from the top 45% of High School Certificate students. The aggregate cut off was 270.

In total 409 offers had been made by the Universities and Colleges Admission Centre to fill 260 places. This included 99 offers for the first intake into the Associate Diploma in the Arts (Performing and Visual). Applicants for this course had been selected by interview and/or audition.

Offers were mailed on 31st January. New students will be required to enrol from 18th to 24th February. Re-enrolments will be from 19th to 24th February.

ADMISSIONS

Enrolments of new students for University courses took place on Thursday 4 and Friday 5, February. Offers were made to 3,292 persons including H.S.C. candidates achieving an aggregate of 241 or above. The number of applications received was 5% more than in 1981.

Total EFTS is 573, 45 up on 1981. However these are Day 2 figures which give little indication of what final numbers will be. In 1981 Day 2 figures increased from 777 to 1,083 by the end of the re-enrolment period when new students are still accepted.

Re-enrolments are scheduled for 22, 23, 24 and 25 February. Any enquiries regarding enrolment statistics may be directed to Bob Natalenko, ext. 998 or Ken Kimber, ext. 890, of Management Information Services.

VISIT TO UNIVERSITY BY CONSUL-GENERAL

The Consul-General of the Philippines, Mr. Nicasio Valderrama, visited the University on Friday, 5th February, 1982. Mr. Valderrama was accompanied by his wife, Mrs. Milagros Valderrama, Mr. Aguila - Information Officer, and Mrs. Baisa - Vice-Consul and Cultural Affairs Officer.

Mr. Valderrama's visit was arranged as part of the University's programme of encouraging increased numbers of overseas students. Following discussions of likely interest of Filipino students in enrolling at Wollongong and a lunch at the Union hosted by the Vice-Chancellor, the visitors were taken on a short tour of the campus.

Mr. Valderrama, welcomed the University's initiative in establishing links with his country and believed that prospective students from the Philippines would be encouraged to seek enrolment at Wollongong. He undertook to assist the University in developing relationships with sponsoring bodies in the Philippines.

To mark the beginning of what he believed would be a valuable association between the Government of the Philippines, its people and the University of Wollongong, Mr. Valderrama presented the Vice-Chancellor with a gift of a number of books.

COUNCIL MEETINGS

At the University Council meeting on Friday, 11th December, 1981, the following people were elected to the University Council out of a list of seven nominations:

Senator Susan Ryan - three years
Sir Richard Kirby - two years
Dr. Elizabeth Kernohan - one year

Senator Susan Ryan, elected to the Senate for A.C.T. in 1975 and re-elected in 1977 and 1980, has been especially involved in the field of education which concerned the training and education of young women for the workforce.

Senator Ryan gained her Bachelor of Arts degree at the University of Sydney and a Master's degree at the Australian National University. She worked as a teacher and then as a tutor at the Canberra College of Advanced Education. She served as National Executive Officer of the Australian Council of State School Organisations in 1973-75 and was Education Officer in the Secretariat for International Women's Year in 1975. She was elected to the Front Bench of the Opposition in 1977 and has served as Shadow Minister for the Media, the Arts, Women's Affairs, Aboriginal Affairs and, in 1980 Women's Affairs and the Arts.

Sir Richard Kirby and Dr. Kernohan are both outgoing members of Council who were re-elected. Dr. Kernohan served on several committees including Staff Committee.

Sir Richard Kirby and Dr. Kernohan are both outgoing members of Council who were re-elected. Dr. Kernohan served on several committees including Staff Committee. She is the Director of Sydney University Veterinary Science Station at Camden and has also served as Deputy Mayor at Camden. Sir Richard Kirby, was formerly the President of the Commonwelath Consiliation and Arbitration Commission, and is currently the Chairman of the Advertising Standards Council.

AMALGAMATION PROGRESS REPORT

JOINT COUNCIL MEETING

A joint meeting of the Councils of the University of Wollongong and the Wollongong Institute of Education was held on Friday, 11th December, 1981. The decisions made at the meeting included:

1. To note with approval the decision of the State Government to support the Councils request for the amalgamation of the University and the Wollongong Institute of Education.
2. The Councils agreed that the University and the Institute should work as a single institution with effect from 1st January, 1982.

3. That the University of Wollongong and the Wollongong Institute of Education Councils would meet jointly in 1982 until the amending legislation is proclaimed.
4. That the Councils would establish a Co-ordinating Committee with the following terms of reference and membership:

(a) **Terms of Reference:** that a single co-ordinating Committee be established and asked to comment to the Councils on the arrangements for federation within the framework of the proposals previously determined: specifically the committee should comment on proposals for amending legislation and any additional matters affecting staff, bearing in mind the Councils' resolutions that the legislation should provide for staff to be employed on conditions not less favourable than at present.

(b) **Membership:**
Vice-Chancellor (as Chairman),
Dr. K.R. McKinnon
Director,
Professor P. Rousch
Deputy Vice-Chancellor,
Professor A.M. Clarke
Lay member of each Council,
Mr. C. Denley & Mr. F. McInerney
Academic member of each Council
Prof. B.H. Smith & Mr. R. Pretty
A member of the Staff Association
Mr. R. Castle
A member of the Lecturers' Assoc.
Mr. R. Colvin
Two members of the P.S.A.,
Mr. B. Natalenko & Mr. R. Wilding
Two students members,
Ms D. Costelloe & Ms. J. Jones

5. To endorse the proposal that the Legislation be amended to provide for the existing members of the Institute Council to become members of the University Council, to be replaced as Council elected/appointed members take office in the longer term.

The first joint meeting of the two Councils for 1982, will be held on Friday, 26th February, 1982.

CO-ORDINATING COMMITTEE

The Co-ordinating Committee, established at the Joint Councils meeting, held its first meeting on 28th January, 1982.

The major items of consideration were the progressive integration of functions from 1st January, 1982, to give effect to the Councils' decision to operate as one institution from that date and to provide advice to the Vice-Chancellor and the Director in their negotiations with the Higher Education Board on proposed amendments to the University of Wollongong Act. In particular, it was agreed that the general staff membership of the Council should be increased from two to three and the student membership of the Council be increased from two to three.

Following the meeting of the Coordinating Committee which was held on 28th January, 1982, the Vice-Chancellor, the Director and the University Secretary met with the Chairman of the N.S.W. Higher Education Board, Mr. Ron Parry; the Secretary of the Higher Education Board, Mr. Alan Day; and the Board's Legal Officer, Mr. Laurie Yeomans, to discuss the amendments to the University of Wollongong Act in order to give effect to federation of the University and the Institute.

The Vice-Chancellor informed the Higher Education Board representatives of the views expressed by the Coordinating Committee and draft amendments to the University Act were suggested. Most of the recommendations made by the Coordinating Committee were accepted by the Higher Education Board. There was considerable discussion on the specific amendments that would be required to protect the terms and conditions of employment of staff of the Institute who would become staff of the University. The Higher Education Board suggested that this provision should be based on those contained in the Colleges of Advanced Education Amendment Act relating to dissolution of colleges.

The meeting noted the urgency attached to finalising the draft amendments so that they could be passed by State Parliament in its forthcoming session. The Higher Education Board promised every assistance with a view to expediting the legislative process and also agreed that the University and Institute Councils would be kept informed of progress on this matter.

A further meeting of the Coordinating Committee will be held on 11th February, 1982, so that the Committee would have a full report on the discussions with the Higher Education Board.

ACADEMIC SENATE

The next meeting of the Academic Senate will be held on Wednesday, 24th February, 1982.

Among the major items to be considered at that meeting, will be the second report of the Ad Hoc Working Party on Contracting and Cross Registration of Courses between the University and the Wollongong Institute of Education, revised degree regulations for the Pass Masters degrees and a proposal for the introduction of a Bachelor of Environmental Science.

WHO'S WHO

Introducing:

MORLEY MARY MELVILL ST. OSYTH GRAINGER

Craftsperson in Residence

The Institute, in association with the Australian Council is sponsoring the first Craftsperson in Residence Scheme in Illawarra. From 28th January, 1982, Morley Grainger will be resident at the Institute. Morley brings to Illawarra expertise in spinning and weaving gained from studies in New Guinea, Mexico and Australia.

Morley Grainger holds the following academic qualifications:

- 1975 **Bachelor of Fine Arts** (Instituto Allende San Miguel Allende, Guanajuato, Mexico)
- 1976 **Master of Fine Arts** (Instituto Allende San Miguel Allende, Guanajuato, Mexico) Majoring in Fine Art (drawing) Archaeological illustration. (Thesis pending)
- 1977 **Post Graduate Diploma Teaching Secondary Art** Torrens College of Advanced Education.

A studio will be established in one of the demountables (D5) at the Institute where Morley will be working towards an exhibition at the end of the year. She will be available to Students, Staff and Community groups for demonstrations and discussions. Members of Staff are welcome to call in and invite any friends who are interested in weaving to visit.

TALENTED TEAM FOR NEW COURSE

The Institute of Education is assembling a talented team for the new Associate Diploma in the Arts (Performing and Visual) Course being offered this year.

Two new lecturers have accepted positions in the Performing Arts area.

Mr. Peter Duncan, the assistant director of the Queensland Theatre Company has accepted the offer to lecture in the areas of Acting and Direction. Mr. Duncan holds a post graduate degree in directing from the National Institute of Dramatic Art and in 1981 directed two plays, "No Names No Pack Drill" by Bob Herbert and "On Our Selection" by Steele Rudd both for the Queensland Theatre Company. He has been assistant director to Alan Edwards for "Annie" and "The Seagull" and to John Tasker for Shakespeare's "As You Like It" in Albert Park. Mr. Duncan has been involved with the direction of theatre tours for schools and the Queensland and National Playwrights Conference.

The community of Wollongong can look forward to some fine theatrical productions during Mr. Duncan's three year appointment.

The position of lecturer in Theatre Production has been accepted by Mr. Gary Stonehouse who is completing a Masters Degree from Sydney University and has diplomas in both Technical Production and Direction from N.I.D.A. His theatre experience includes acting, lighting design, stage management and scriptwriting as well as the direction of classical and modern dramas, musicals and opera.

He has been involved in the direction of schools touring in South Australia with opera for schools programmes and has been assistant director to Anthony Besch in the productions of "Cosi fan tutte" and "The Marriage of Figaro". In 1976 he was assistant director of "Carmen" for the Australian Opera and in 1979 directed "Fortune's Folly" for the State Opera of South Australia. He recently returned from Papua New Guinea where he directed "Side by Side by Sondheim" and conducted workshops in acting, stage management and lighting for the Port Moresby Arts Council. He was also technical consultant for the South Pacific Festival of the Arts and directed "Feival" for the National Theatre of Papua New Guinea.

Mr. Stonehouse will be lecturing in production majors in the technical areas of theatre and will be working in association with Mr. Peter Duncan and resident lecturers in theatre arts, Mrs. Lynne Williams, Miss Ksana Natalenko and Mr. Peter Shepherd.

Lynne Williams is a graduate of the Sydney Conservatorium of Music with a major in Singing and is well known as the director of the Conservatorium Theatre Company in Wollongong. She will be lecturing in musical theatre/opera/arts and it is anticipated that students from the performing arts course will be attached to the Conservatorium Theatre Company for its first production of 1982 "West Side Story".

Mr. Shepherd is the conductor of the Campbelltown City Orchestra and directs and conducts for the Sutherland Light Opera Company. With the advent of the new course it is hoped that Wollongong audiences will see a great deal more of Mr. Shepherd's work.

Miss Ksana Natalenko joined the lecturing staff in 1981 and has been involved in the campus productions of "Truganini", "Big Wolf" and the W.I.E. Review. She will be lecturing in areas of dramatic repertoire.

International expertise has been obtained for the Associate Diploma in the Arts through the appointment of Mr. Grahame McIntosh as part time lecturer.

A graduate of the Royal Scottish Academy of Music - where he studied under Cecil Cope. On leaving the academy, he joined Sadler's Wells Opera Company, sang with the Hamburg State, Berlin, Munich and Glyndebourne Opera Companies and subsequently became a member of the Royal Opera House Covent Garden. In 1971, Grahame McIntosh won first prize in the Geneva International Singing Competition and in addition received a 12 month's contract with the Geneva Opera. During this period he also won a Covent Garden Scholarship to study on the Continent. At the end of his studies he returned to Covent Garden and later joined The Australian Opera for a period of three years. Mr. McIntosh has since sung with the West Australian Opera Company, and is constantly engaged by the A.B.C. for concert services and oratorio performances. His busy schedule includes teaching vocal students, giving master classes in vocal technique and making studio recordings for broadcast by the A.B.C. The Wollongong Institute of Education welcomes Mr. McIntosh to its Associate Diploma in the Arts staff and shares with him the belief that exciting developments are ahead for the community of Wollongong.

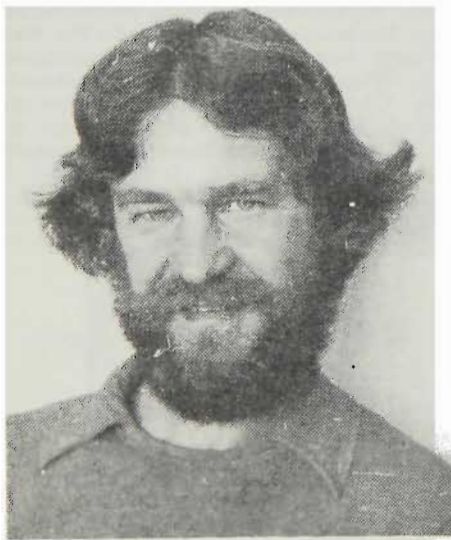

MR. GRAHAME McINTOSH

PHILOSOPHY DEPARTMENT CHANGES

Dr. Harry Beran has been appointed Chairman of the Department of Philosophy from January 1st this year. Dr. Beran, who is Senior Lecturer in Philosophy, joined the University of Wollongong in 1976, having previously served as a Lecturer in the University of New England. He holds a Doctorate in Philosophy from the University of Sydney.

Dr. Beran succeeds Professor Chipman as Chairman. Professor Chipman will continue to serve in the Department of Philosophy at the University of Wollongong while also serving as Visiting Professor in the Department of Jurisprudence in the University of Sydney. In December 1981 Professor Chipman was reappointed an Honorary Associate in the Department of Traditional and Modern Philosophy by the University of Sydney Senate. He was also elected to a Fellowship of St. Andrew's College within the University of Sydney.

In other changes Ms. Barbara Davidson rejoins the teaching staff after a period at Princeton University in U.S.A. on an approved Outside Studies Programme. Mr. Laurance Splitter departs in April for a period of study leave, while Mr. Jim Mackenzie is due to return in June after a period spent at Pittsburgh University on a Fulbright Scholarship.

DR. HARRY BERAN

UNION NEWS

UNION BISTRO

Over the past few weeks a major re-development of the Kitchen in the Union Bistro has taken place. This should now enable the Bistro to offer a much wider range of menu and also improve speed of service during busy periods. The Bistro is expected to re-open Monday, 15th February although, if there are any last minute delays in completion of the alterations the re-opening date may have to be postponed a further week.

CAMPUS SECURITY

A delegation from the Union Board, the S.F.C. and the Womens Caucus recently met with the Vice-Chancellor to discuss improvement to security on campus. Concern was particularly expressed about inadequate lighting in certain car parks and as a result the Vice-Chancellor has agreed that a specialist working group will examine the problem and attempt to establish satisfactory lighting levels for all parts of the University.

JOB FRIEND SCHEME

On Wednesday 17th February the Wollongong Chamber of Manufacturers will officially launch its "Job Friend" Scheme at a special ceremony in the Union Common Room. The scheme is designed to enable unemployed young people to improve their job application techniques. The special caravan designed for use in connection with the scheme will be displayed outside the Common Room all day.

HERITAGE WEEK - 21ST TO 28TH MARCH

Harry Butler and Manning Clarke are two of the major personalities who will be participating in Heritage Week activities on campus. Manning Clarke will attend a seminar on the afternoon of 23rd March entitled "In Search of the Drovers Wife", and in the evening will give a public lecture commencing at 7.30 p.m. in the Union Hall. On the 25th March, Harry Butler will speak at a lunchtime Public Questions Forum under the Fig-trees and in the evening will be guest speaker at a Dinner to be held in the Union Hall. Tickets for the Dinner are priced at \$12.00 each and can be obtained from the Union Office from 1st March onwards. Other Heritage Week events include: A Folk Concert, in the Union Common Room on the evening Monday 22nd March; A Conservation Conference in the Pentagon on Friday and a concert of Australian Music in the Union Hall on the evening Saturday, 27th March.

TAKE CARE

Watch out for hang gliders landing on the University's oval from 15-22 February, 1982. They will be competing in the Lawrence Hargrave Hang Gliding Competition.

MISS DOREEN GILLAM

NEW STRUCTURES

ESTABLISHMENT OF DEPARTMENTS OF ENGLISH LANGUAGE & ENGLISH LITERATURE & DRAMA

The Council of the University has decided to abolish the present Department of English and replace it by two departments - the Department of English Language and the Department of English Literature and Drama.

Miss Doreen Gillam has been appointed as Chairman of the Department of English Language. Miss Dorothy Jones has been appointed as Chairman of the Department of English Literature and Drama. Professor Southall will be a member of the Department of English Language and also a member of the Department of English Literature and Drama. The staff of the Departments concerned have been informed of the detailed arrangements.

It is the intention of Council that the separation into two departments be regarded as a temporary situation; the duration of the above arrangements is for a maximum of three years.

INSTITUTE OF EDUCATION ABOLISHES DEPARTMENTAL SYSTEM

The Institute of Education has been restructured. The 8 departments which made up the Institute have been abolished in favour of a School of Education and Centre for the Arts.

The acting head of the School of Education is Dr. M. Koder, and Mr. Rod Hollands has been appointed Co-ordinator of the Centre for the Arts.

THE COUNSELLING SERVICE

The University Counselling Service is set up to assist students with a wide range of concerns. Counselling is available for individuals, couples and families. The Counsellor, Greg Hampton, can assist you with -

- plans and decisions you need to make for your course or career,
- developing an effective approach to study,
- relationship difficulties,
- family problems,
- feelings of tension, anxiety, depression,
- any other issue which is of concern to you.

If you would like to talk to the Counsellor, please drop in for a chat (Building 12) or ring for an appointment on 28-2925. The service is completely confidential and free to both students and staff. First year students are especially invited to talk things over with the Counsellor - preferably early in the year - so that he can help to ensure their successful transition to University.

The Counselling Centre is offering a three day **Preparation for University** programme to help students starting at the University of Wollongong. So far 120 students have enrolled. The programme will give students an opportunity to:

Understand the University System - find your way around, learn about the people who can help and how the system works.

Develop an Effective Approach to Study - organising and motivating yourself, listening to lectures and note taking, reading efficiently, writing essays and reports, participating in tutorials, learning and remembering, taking exams.

Meet other students - starting at the university.

Enjoy university - find out about and try some of the recreational facilities.

The programme will run from 9.00 - 5.00 Wednesday 24th, Thursday 25th and Friday 26th of February.

Register Now - phone the Counselling Centre - 28-2925 - A.C.S. Annexe.

Other group programmes available during 1982 are:

Resource Groups - for first year students will meet weekly for the first few months of session one. The group meetings will enable students to deal with issues and concerns as they arise and to develop their approach to study. They will also provide an opportunity for meeting other students.

Stress Management - six weekly meetings from 12.30 - 1.30 p.m. Tuesday, starting March 16th, will provide an opportunity to learn how to recognise and manage sources of stress in your life and to learn how to cope with stress through exercises and the use of biofeedback. This programme will also be of use to people who become nervous or anxious in examinations or tutorials.

Family Influences - a personal development programme which will help you understand your family, develop self-confidence, personal identity and independence. This group will meet during the May recess - 9.00 - 5.00 p.m. 10th-12th May.

New Ways to Move - utilising the awareness through movement exercises of Moshe Feldenkrais. Moving through these exercises can lead to greater bodily awareness, improved muscular co-ordination and responsiveness, stabilisation of emotional tension and relaxation of stiff muscles. You may find that altering posture and muscle tension patterns change the way you see yourself as a person. Meeting times are 9.00 - 5.00 p.m., 13th-14th May.

THE GRADUATE'S GROUP

The Executive Officer of the Friends of the University of Wollongong, Mr. Giles Pickford, has announced that a group of 46 graduates has joined the Friends of the University of Wollongong Limited with a specific aim in mind - that is, the full employment of all our graduates.

"The Friends was created by the University with the aim of improving the interaction between the community and the University. The University's graduates are an important group within the community and their continuing welfare is a matter of major concern to the University" said Mr. Pickford.

"The University of Wollongong does not have the elaborate and expensive graduate placement bureaux found in larger universities" he said. "In spite of this, the Graduate Careers Council's 1979 and 1980 Surveys of the graduating class for that year showed that Wollongong came third in 1979 and 1980 in the rate of graduate employment in those years. As there are nineteen universities in Australia, it can be seen that our graduates are doing well on the employment market."

Ald. Keith Phipps, Chairman of the Graduates Group, said that the aim of the Group is to improve on the present situation. We intend to do this by providing a service to graduates seeking employment and to organisations seeking employees.

"The older universities have created these informal networks between graduates to their mutual advantage", he said.

To this end various members of the Graduates Group, under the co-ordinating skill of Marion Walsh, has manned an information booth during the new enrolment and the re-enrolment sessions at the Pentagon Foyer.

Later this session it will be circulating a list of graduates seeking employment to employers in the region.
