## COMMUNITY RADIO PROJECT FOR ILLAWARRA

As readers of *Campus News* may be aware, the Minister for Communications has called for applications for a Class C, FM radio broadcasting licence to serve the local government areas of Wollongong, Shellharbour and Kiama. The applications close on July 30, and at this stage the Illawarra Community Broadcasters believe that they are the only applicants.

The deadline for applications leaves the Illawarra Community Broadcasters with very little time for the huge amount of work that needs to be done. They are currently undergoing the incorporation process as a 'Company Limited by Guarantee', as well as getting the application itself together.

Confirmation that the University is keen to participate in community broadcasting is contained in a letter from the Deputy Vice-Chancellor, Professor Peter Rousch, to Dr Hugh Spencer of the Department of Biology, who is Chairman of the Illawarra Community Broadcasters.

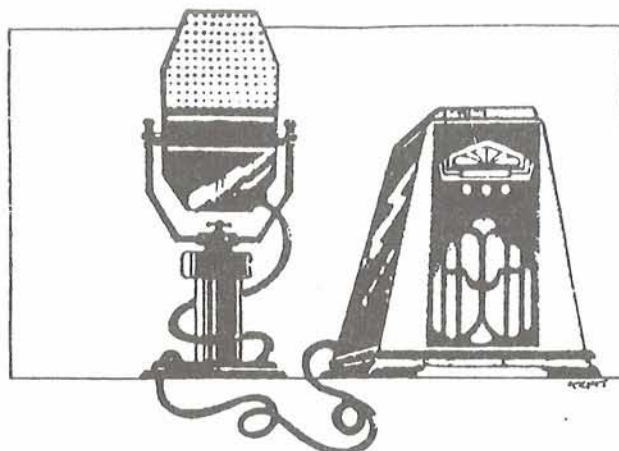

Professor Rousch wrote: 'The University would attempt to make appropriate financial provision for involvement in the project subject to the availability of funds and endorsement by its Planning and Development Committee. I can say, however, that the initial amount stated, namely \$10,000, seems to me to be reasonable, given the quantity of access projected ...'.

He observed cautiously, however, that the extent of the University commitment could not be specified until budget information for 1986 and beyond became available.

### *How You Can Help!*

Write a submission .... it's easy (and very necessary!) Written submissions relating to the grant of the licence are to be lodged with the Secretary, Australian Broadcasting Tribunal, 153 Walker Street, North Sydney, 2060, not later than 5 pm on August 13. The submission should contain the reasons why you believe there is a need for community radio in Wollongong and a statement of support for Illawarra Community Broadcasters as being the most suitable applicant for the licence. If you need any further assistance with writing your submission please feel free to contact Hugh Spencer on 270024 (bus hrs) or 711514 (home), or Sue Salmon on 848468.

An annual general meeting of the Illawarra Community Broadcasters will be held at 7.30 pm on Tuesday July 23, at the University Union Board Room, which is

located upstairs in the Union building. It is of great importance that all members attend this meeting. The agenda will include ratification of the proposed Articles of Memoranda of Association (currently being nipped out) as well as the election of directors of the proposed new company, Illawarra Community Broadcasters Ltd.

Only financial members, that is, members fully paid up by July 12 will be eligible to vote at the annual general meeting.

## General Notices

### SUMMER SESSION IMPROVING

A report on the 1984/85 Summer Session was recently distributed to Chairpersons of Departments and Heads of Schools and other academic units. Highlights of the Session included:

- a 25 per cent increase in the number of students undertaking credit subjects (see table below);
- the inclusion of the College for Seniors/Elderhostel program for people over 55;
- the response to the new timing of the Session (ie two weeks of lectures before Christmas, and five weeks after the new year); this format will be repeated for the 1985/86 Session;

## University Day

### UNIVERSITY'S TENTH ANNIVERSARY

As part of the celebrations to mark the University's tenth anniversary on August 9, four fellowships are to be awarded in recognition of service to the community and or to the University. This is a new category of award and recipients will be Alderman Frank Arkell, Lord Mayor of Wollongong; Mr Lawrence Kelly, Speaker of the NSW state parliament and Deputy Chancellor of the University; Mr Merv Nixon, secretary of the South-Coast Labor Council, and Miss Ethel Hayton, benefactor to the University, and Mrs Thistle Stead, the well-known wild-life expert and conservationist will have conferred upon her the honorary degree of Doctor of Science.

As has been previously announced in *Campus News*, the anniversary is to be marked by a special graduation ceremony. The honorary degrees mentioned above will be awarded at the ceremony, and so, too, will the honorary degree of Doctor of Letters be awarded to the ex-governor of New South Wales, Sir Roden Cutler.

This is the one big occasion with which the University is marking its tenth anniversary and it is hoped that you will help us celebrate it. We expect a large gathering of new graduates, old graduates (particularly from our first graduation back in 1975), staff, ex-staff, and other Friends of the University.

As seating is limited, it is suggested that those intending to make up departmental or other parties should make their bookings early.

There will be pre-dinner drinks from 6.30 to 7 p.m. in the Union Common Room, with entertainment from the University Singers, followed by the celebration dinner and further entertainment. Cost is \$20 a head.

Bookings close with the Union on Thursday, August 1.

the net cost to the University of \$78,000 for the Session.

### SPEAKERS FOR GRADUATION — 1986

As it is necessary to approach people well in advance inviting them to speak at our graduation ceremonies, members of staff are asked to submit names and addresses of suitable speakers for consideration as soon as possible.

As we expect to have six ceremonies early in May, 1986, names and addresses should be sent to Trevor Brew, Senior Assistant Secretary, Academic and Student Services, (ext 3906) so that early appointments may be made.

### BENGT NIRJE TO VISIT WOLLONGONG

The Unit for Special Education, within the Centre for Policy Studies in Education, is to host the visit to Wollongong of Bengt Nirje from the Psychiatric Research Centre, University of Uppsala, Sweden, in October this year.

Bengt Nirje is an internationally renowned author in the sphere of intellectual disability. Acclaimed as the "Father of the Principle of Normalisation", the theory and philosophy he has disseminated has established the policy base for service provision for people with an intellectual disability in most parts of the developed world.

Present government action in many parts of Australia to administratively and legally separate provisions for people with an intellectual disability and mentally ill people are based on the early writings and philosophies propounded by Bengt Nirje.

The movement towards de-institutionalisation of people with an intellectual disability and integration of children into education programs can be attributed in large part to his influence on the international scene.

Further enquiries concerning Bengt Nirje's visit to Dr Lyn Gow (ext 3980 or 2961).

### FAREWELL DINNER TO CHALLICE MOLDRICH

A farewell dinner to Chalice Moldrich will be held in the University Union on August 16 - a Friday. Time is 7 for 7.30 pm. A three-course meal will be served, and vegetarian meals will be available provided they are ordered when bookings are made. The price, \$15 per person, will include beer, wine or orange juice.

Tickets are available from Mrs Faye Franklin, Administration, ext 3906.

## BOOST FOR NUTRITION RESEARCH

Dr David Murray of the Biology Department has been awarded a grant by the Department of Science Bilateral Exchange Program. The grant will enable an Indian scientist, Dr M.C. Shanthakumar Sastry, to visit the University of Wollongong for three months, beginning in September.

Dr Sastry is from the Indian Central Food Technological Research Institute in Mysore. With Dr Murray, he will be identifying the sulphur-rich proteins from chick pea seeds that are responsible for the superior nutritional quality of this legume.

More than half the annual yield of legume seeds in India is made up of local varieties of chick pea. It is intended that any future survey of genetic variability in these lines should include information on seed protein content and composition, so that these important attributes can be optimised in the progeny of future breeding programs.

## HONOURS STUDENTS

The Undergraduate Studies Committee is currently investigating any problems confronting Honours students. A sub-committee has been formed and would welcome submissions from students regarding their experiences when they were doing Honours.

Members of the sub-committee are: Josie Castle - Department of History, Ext 3667; Beth Urwin - University Counsellor, Ext 3592; Jan Pincombe - School of Nursing, Ext 3570; Tom Jagtenberg - Department of Sociology, Ext 3745. They would be happy to discuss any issues students would like to raise.

## THE POLITICAL AND SOCIAL VISION OF ISLAM

A distinguished Islamic scholar, Dr Abdul Khaliq Kazi, is to visit the University on Wednesday August 14 to talk on the Political and Social Vision of Contemporary Islam. Dr Kazi comes from Pakistan and is a graduate of the University of al-Azhar, Cairo, and the University of London. He is Senior Lecturer in Islamic Studies in the Department of Middle Eastern Studies, in the University of Melbourne.

His talk will be given in the Pentagon, starting at 7.30 pm. Further details from Dr S. Aly, 962566.

## ROTHMANS FELLOWSHIPS

Applications are invited for Rothmans Fellowships, which are awarded under the Rothmans University Endowment Fund set up by Rothmans of Pall Mall (Australia) Limited to enable Fellows to undertake postgraduate work within an Australian University.

Rothmans Fellowships are of an annual value of up to \$20,000 (Aust). A Fellow may be paid travelling expenses incurred in taking up the Fellowship and returning home.

In addition, an amount of \$2,000 (Aust) per annum towards fees and expenses including the purchase and maintenance of equipment may be paid to the University where the Fellow is working.

A Fellow shall take up a Fellowship before attaining the age of 28. The Fellowships are open to graduates of any University who have had at least three years postgraduate experience in research. The Fellowships are not open to permanent members of academic staff or applicants proceeding on sabbatical, study or other leave (including leave without pay). The Fellowships must be held at an Australian University.

Application forms and further details may be obtained from The Secretary, Rothmans University Endowment Fund, c/- The University of Sydney, N.S.W. 2006. Applications close next Wednesday, July 24.

## VISITING FELLOWSHIPS

In 1986/87 four Visiting Fellowships will be made available to experts from relevant countries under each of the following schemes.

- Commonwealth Scholarship and Fellowship Plan - Commonwealth countries
- Australian European Awards Program - European countries

Awards will be tenable between July 1986 and June 1987 for periods of one to three months in Australia and may not be deferred.

Fellowships enable visitors to make first-hand contact with Australians who are working in their fields of expertise and to exchange views and information with them. The programs for Visiting Fellows provide opportunities for them to make an impact on the wider Australian community. It is also expected that Fellows will familiarise themselves with Australian developments and share the Australian experience on their return home.

### Financial Benefits:

Provision is made for the payment of return business class air fares between the nearest international airport and Australia, economy class air travel within Australia as required by the approved program, and an appropriate per diem allowance to cover accommodation and other living costs while in Australia. An establishment allowance is paid on arrival and coverage against basic medical and hospital costs is provided by Medicare during the visit. No provision is made for the payment of fees or allowances for the dependants of Visiting Fellows.

Further details on *Campus News* notice board.

### ENGLISH DEPARTMENT RE-UNIFIED

As from January 1986, the discipline of English will be re-unified under one Department. Further, with effect from that date, Dr James Wieland will serve as Chairman of the Department of English.

In order to facilitate the coming together of the existing Departments of English Language and English Literature and Drama, Dr Wieland (who is presently Chairman of the latter Department) has been appointed as Acting Chairman of the Department of English Language until the end of 1985.

## Research Grants

### ADVANCED TECHNOLOGY TRAINING RESEARCH GRANTS

The National Training Council, which is the Commonwealth Government's labour force training advisory body, is offering a number of grants to foster research into the training implications of the application of advanced technology in industry.

Preference will be given to applications for research into technologies other than micro-electronics. In particular, the Council would welcome proposals in the areas of:

- \* Advanced materials technology such as ceramics.
- \* The identification of future options for advanced technology.
- \* Communications technology.

Grants will be awarded on a competitive basis following an assessment by the Council's Standing Committee on Training for Advanced Technology.

Applications for grants close on August 16, 1985. Application forms and further details may be obtained from: Mr Peter Reeves, Secretary, Standing Committee on Training for Advanced Technology, National Training Council Secretariat, GPO Box 9880, Canberra City, ACT 2601. Phone (062) 459353.

The National Training Council reserves the right not to proceed with the studies.

### HOUSING RESEARCH

As part of its 1985/86 program the Australian Housing Research Council plans to commission a research study into finance for rental housing.

The study will examine

- existing and potential sources of funds for the private rental sector and the emerging non-profit community rental sector.
- options for increasing the flow of funds into these sectors.
- the access of each class of rental investor to available funds.
- the potential for community based housing organisations to obtain significant funding through traditional lenders.

Suitably qualified organisations or individuals who wish to undertake this study are invited to register their interest with the Secretariat of the Australian Housing

Research Council and to provide a short statement containing

- evidence of previous work in this area, especially experience in financial markets relating to property development and housing.
- names and qualifications of persons to be employed on the study.
- a statement of the method to be adopted.

Detailed formal proposals are not required at this stage.

Copies of the research brief can be obtained from: Secretary, Australian Housing Research Council, C/- PO Box 111, Dickson, ACT 2602. Phone (062) 436685. Attention: Mr Hoad.

Closing date for these expressions of interest is July 27.

Anyone requiring further information contact Trevor Smith, ext 3079.

His doctorate is in the area of Political Science and International Relations.

The seminar will be held in Room 19.2013, History Resources Room, starting at 10 am.

## Scholarships and Prizes

Details of the scholarships and prizes below are displayed on the Campus News Notice Board situated at 49 Northfields Avenue. Application forms are available from the Student Enquiries Office.

### SCHOLARSHIP IN PETROLEUM ENGINEERING

CSR Limited is one of Australia's major oil and gas explorers and producers.

Through Delhi Petroleum Pty Ltd, CSR is participating in the \$1.4 billion Cooper Basin Liquids Project and is operator of the Jackson oilfields facilities - two of the largest onshore projects in Australia.

Projects like this offer excellent prospects for people seeking a satisfying career and it is to be expected that more exciting developments lie ahead.

To encourage people to work in the petroleum industry, CSR Limited, through its Oil and Gas Division, in 1986 will offer a post-graduate scholarship in petroleum engineering to a recipient of a Bachelor of Chemical, Mechanical, Electrical, Civil or Mining Engineering degrees. Applicants will need second class honours or better!

The scholarship offers financial support for the candidate to study for a Masters degree at the University of NSW.

Employment with CSR Limited's Oil and Gas Division in Adelaide or Brisbane will be considered on the completion of this course in June 1987.

Details from: The Personnel Manager, CSR Limited, Oil and Gas Division, GPO Box 483, Sydney NSW 2001.

### 1986 GOTTSCHALK MEDAL

The Gottschalk Medal was endowed by the late Dr A. Gottschalk, FAA. The Medal was first awarded in 1979, and is normally awarded annually. Its purpose is to recognise distinguished research in the medical or biological sciences by younger scientists.

To be eligible, candidates' dates of birth must fall no earlier than 30 September 1948, they may not be Fellows of the Australian Academy of Science, and their research must have been carried out mainly in Australia.

Nominations should be covered by nomination forms available from the Academy secretariat, and should include a curriculum vitae, a complete list of publications, and an evaluation of the candidate's work, including comment on his or her role in co-authored papers. Proposers should ask at least two referees to forward comments directly to the Academy, to arrive by the closing date for nominations. Nominations which are incomplete by the closing date cannot be considered.

Nominations are confidential and should be addressed to: The Executive Secretary, Australian Academy of Science, GPO Box 783, Canberra, ACT 2601. Telephone (062) 473966 (Mrs Faye Harris).

Nominations close on September 30.

### 1986 PAWSEY MEDAL

The Pawsey Medal was endowed to commemorate the unique contributions to science in Australia by the late Dr J.L. Pawsey, FAA. The Medal was first awarded in 1967, and is normally awarded annually. Its purpose is to recognise outstanding research in experimental physics by younger scientists. To be eligible, candidates' dates of birth must fall no earlier than 30 September 1948, and their research must have been carried out mainly in Australia.

Forms available from the Academy secretariat, and should include a curriculum vitae, a list of publications, and an evaluation of the candidate's work, including comment on his or her role in co-authored papers. Proposers should ask at least two referees to forward comments directly to the Academy, to arrive by the closing date for nominations. Nominations which are incomplete by the closing date cannot be considered.

Nominations should be addressed The Executive Secretary, Australian Academy of Science, GPO Box 783, Canberra, ACT 2601. Telephone (062) 473966 (Mrs Faye Harris).

Nominations close on September 30.

### FREDERICK WHITE PRIZE

With the generous support of Sir Frederick White, KBE, FAA FRS, the Australian Academy of Science has instituted the Frederick White Prize

to recognise the achievements of scientists in Australia who are currently engaged in research of intrinsic scientific merit which also contributes an understanding of natural laws and new concepts that are important to the well-being and civilised progress of society.

The prize will be awarded to a scientist whose researches have been undertaken mainly in Australia and are in the physical sciences (mathematics, physics, astronomy or chemistry), the terrestrial and planetary sciences or the biological sciences (plant and animal sciences at all levels). Preference shall be given to younger scientists.

In making the award, the Academy shall take into account the actual or potential contributions of the research to community interests, to rural or industrial progress or to the understanding of natural phenomena that have an impact on the lives of people.

The Prize is normally awarded biennially but in any year the Academy may decide to make no award.

The Prize shall be used to support any part of the cost of the personal research program of the recipient including equipment, travel and publication, up to an amount of \$3,000.

Proposals should be covered by the nomination form available from the Academy's secretariat and include a curriculum vitae and sufficient detail of the candidate's scientific work and its impact to enable the Academy to assess it in the light of the criteria for the award of the Prize. Proposers should ask at least two referees to for-

ward comments directly to the Academy to arrive by the closing date for nominations.

Nominations to: The Executive Secretary, Australian Academy of Science, GPO Box 783, Canberra, ACT 2601. Telephone: (062) 473966 (Mrs Faye Harris). Closing date for nominations is October 31 this year.

## Letters

### THANKS FROM CONNIE NORTHWOOD

A big thank you to all my wonderful friends who came to, or contributed to, my "very quiet small Departmental Farewell".

What a lovely surprise - I had no idea leaving could be so much fun!

I'll treasure your friendship and lovely gifts forever, and will miss you all very much.

Thank you again and love

Connie Northwood.

### STEPHEN BENNETT CONCERT

The Illawarra Music Club will present a concert featuring the noted bass baritone, Stephen Bennett, winner of the

Illawarra Mercury Operatic Aria Competition this year, and the pianist Helen Osborne, at Wesley Church, Crown Street, on Monday July 22 at 8 p.m.

Admission charges are \$5 (concession \$3). Tickets from University Union.

### SEARCH FOR AMADEUS CONTINUES

The University Singers have limited vacancies for altos, sopranos, tenors and basses interested in joining the choir for an October performance of Mozart's *Requiem*.

Weekly rehearsals begin mid-August with a preliminary meeting on July 28, at 2 pm.

Those interested in auditioning are invited to contact David Vance on ext 3617.

### CONCERT FOR WORLD PEACE

The composer, Andrew Ford, lecturer in the University's School of Creative Arts (and currently Bennelong Composer-in-Residence at the Sydney Opera House) is organising a gala event to mark the 40th anniversary of Hiroshima Day. The event will take place on Saturday July 27 in Wollongong Town Hall. Starting time is 3 pm.

Wollongong City Council has donated the use of the Town Hall, and music publishers and soloists are donating their services. Proceeds will go to People for Nuclear Disarmament.

Highlights of the concert will be a performance of *Threnody to the Victims of Hiroshima* for 52 solo strings for Polish composer Penderecki.

The world-famous tenor Gerald English will be joined by horn player Robert Johnson in a performance of Benjamin Britten's *Serenade*.

The combined forces of two orchestras - Wollongong Conservatorium and the City of Wollongong Symphony - will be conducted by Andrew Ford.

Tickets (available Town Hall and University Union) price \$7 (\$4).

A special press conference will be held at Ilam, Monday July 15 at The University Council Room.

Andrew Ford and Dr Jim Falk (author of *Taking Australia off the Map* and a noted authority on nuclear issues) will talk and answer questions.

### DAMES AT SEA

The musical comedy Dames at Sea is to be presented by the School of Creative Arts beginning Thursday August 1 and running through to August 10. Performances will begin at 8 pm except on Sunday August 4 when there will be a matinee at 2 pm. The show will be staged at the Bridge Street Theatre of Theatre South, Coniston.

Dames at Sea is a musical in the great Hollywood tradition, with catchy, memorable tunes, leggy chorus girls, singing song writers and distraught directors, but where the boy always (with a ringing hit song) gets his girl in the end.

### THOSE WHO PRACTICE WHAT THEY TEACH

Staff of the Wollongong West College of TAFE who are both artists themselves and art educators will hold an

exhibition of their own work in the Long Gallery at the School of Creative Arts starting on Monday July 22.

The exhibition will include drawings, paintings, original prints, sculpture, ceramics and stained glass by W. Baxter, Peter De-Lorenzo, Christine Druitt, Olwyn Evans Wilson, Ellis Eyre, Rod Flanagan, Ian Gentle, Ted Hall, Barbara Hilder, Marian Howell, Daisy Huckel, Howard Jones, Ron Lambert, John Lascalles, Simon Laverty, Robert Liddicoat, Bob McRae, Lawrence Mearing, Derry Messum, Idris Murphy, Jim Riley, John Taranto, Jenny Thompson, Mark Warren.

The exhibition will be opened at a special preview this evening at 7.30 pm when guests will also be able to enjoy music by the Elizabethan Players under the direction of Vanessa Woodhill.

This exhibition is an indication of the good relationship which has been built up between TAFE and the University and is one of the series of exhibitions planned by the gallery Co-ordinator, John Eveleigh, to display the talent of the region.

### CREATIVE ARTS CONCERT

The School of Creative Arts will stage a concert in the Auditorium this evening, starting at 8.30 pm.

The Scaw Ensemble will be conducted by David Vance and Robert Laurie. Three pieces will be performed: they will be Paragon of the Great Learning by Carden, The Organ Grinder's Monkey by Robert Laurie and Contata by Stravinsky.

There is no admission charge.

### BRASS RUBBING EXHIBITION

To commemorate the 500th Anniversary of the death of King Richard III at Bosworth Field, an exhibition of brass rubbings will be held on August 9 and 10 at the home of Mrs Wendy Richardson, 1 Benjamin Road, Mt Kembla. Most of the rubbings on display were made by Dr David Murray during his appointment at King's

College London (1971). They include the oldest surviving British brass, that of Sr John D'Aubernoun (1277), and represent civilian, clerical and military memorial brasses up to Tudor and Elizabethan times.

The exhibition will be opened by Dr David Murray at 7.30 pm on Friday August 9. Viewing times are:

7.30 pm - 10.30 pm Friday August 9; 10 am - 4.30 pm  
Saturday August 10.

Admission: \$3 (Friday, by invitation, refreshments included); \$2 Saturday, children free accompanied by adult(s).

All proceeds towards Marsden Rehabilitation Centre Unit 2 Amenities Fund. Please note that the brass rubbings are not for sale. For enquiries or invitations, telephone 712951 after 6 pm.

### **WE WAS WROBBED – PRESENTED BY GRIEG PICKHAVER**

### **FRIENDS VISITING CATHOLIC SCHOLAR FOR 1985**

The Friends Visiting Catholic Scholar for 1985 will be  
Bishop Eric D'Arcy, Bishop of Sale in Gippsland. He will  
visit Wollongong on Friday, August 2.

Bishop D'Arcy was born in Melbourne in 1924, studied  
at Corpus Christi College, Melbourne and was ordained  
priest in 1949. He holds the degrees of M.A. in Phil-  
osophy from Melbourne, Ph.D from the Gregorian Uni-  
versity in Rome and D.Phil from Oxford.

From 1962-81 he was Senior Lecturer and Reader in  
Philosophy at the University of Melbourne and from  
1969-81 he was Episcopal Vicar for Tertiary Education  
in the Catholic Archdiocese of Melbourne.

He was made Bishop of Sale in 1981 and in 1982 became

### **FOR SALE: ELECTRONIC LEARNING AID**

Are you disappointed or concerned about your child's  
performance at school last year? Don't wait, do some-  
thing about it NOW, so that the benefits can be seen at  
the end of the year. Contact EDUTECH who may be  
able to help you with their new powerful, but easy to  
use Electronic Learning Aid (E.L.A.) which is designed  
to help children from 4 to 12 years old or older persons  
with learning difficulties, to master the basics in maths,  
spelling and much more. The E.L.A. with its own  
display and keyboard makes learning fun, costs only  
\$99 including batteries, and is supported by a set of  
specially designed structured notes. For an obligation  
free demonstration ring Lyndall on 563174.
