Abstract

A must for anyone interested in photography, The Head On Photo Festival Seminar will be held over 2 days, on 5 - 6 May at Bondi Pavilion, Bondi Beach.

Whether you're a photo artist, a professional photographer or a passionate enthusiast, this seminar is sure to inspire.

You can opt to participate in general sessions that cover all bases of the photography world - competitions, funding, support, getting published, protecting your copyright and personal journeys of leading photographers. You can also sign up for small group workshops on everything from fine art printing to the latest tips and tricks for Adobe Photoshop™.

With an amazing array of award-winning artists, high-profile editors and industry figures from Australia and abroad leading sessions and workshops, this weekend is a unique opportunity for anyone who loves photography. Numbers are strictly limited, so early booking is essential.

Among the presenters are:

Stephen Dupont - a leading Australian Photographer whose work has earned him photography's most prestigious awards. His work has been featured in numerous international publications including The New Yorker, The Independent, The Guardian, The New York Times Magazine and Vanity Fair
