CAMPUS NEWS IS A COMMUNICATION CHANNEL

Campus News has replaced the Wollongong University College Information Bulletin. It will carry a variety of news and information, including:

- . reports of meetings of University Council and Academic Senate;
- . news from the Vice-Chancellor;
- . announcements, notices and news from the University administration, academic departments, the Library, the Union, and the Students' Representative Council;
- . appointments and resignations of staff;
- . a Diary of Dates and Events;
- . letters from students and staff (200 words maximum);
- . reports from clubs and societies;
- . sporting results and news;
- . news from other universities; and,
- . 'classified' advertisements.

Campus News is intended to be a communication channel for students and staff of the University.
