

## THE DISTRICT'S RAINFALL — 1963:

With thanks to the various recorders we publish below the rainfall for 1963 of the Wollongong area. The locations are shown from north to south and it will be noted the high elevations show the higher volumes of water.

Month, 1963	Elevation (feet)		47	1000	350	110	30	60
	1362	1100						
JANUARY	895	878	825	998	744	887	744	585
FEBRUARY	572	586	373	429	401	245	260	309
MARCH	1462	2019	1610	1972	1380	1243	914	1131
APRIL	1086	1104	881	1276	1041	1062	1259	890
MAY	1328	1523	1165	1527	1234	1101	967	916
JUNE	875	834	633	858	705	611	679	734
JULY	99	175	—	144	130	123	122	100
