BULLETIN EDITORSHIP:

At the March meeting of the Council, the resignation of Mr. A. P. The President and Council desire to place on record their appreciation of Mr. Fleming's hard work and faithful service in the capacity of Bulletin Editor over the past five years, during which he consistently set a high standard for his successors to maintain, and their thanks to him for undertaking still another difficult and important job for the Society.

OBITUARY:

We record with regret the death of Mr. William Glen Musgrave, a former Councillor of the Society. Mr. Musgrave was a member of a family well-known in this district through its long association with the Illawarra Mercury, of which his father, the late Mr. S. R. Musgrave, and his brother, Mr. Wilfred Musgrave (a former Senior Vice-President of the Society) were editors. The late Mr. Musgrave was himself on the staff of the 'Mercury' for many years, and on the staff of the City Council. The Council and members of the Society extend their sympathy to his family and relatives.

"THE STORY OF AUSTINMER", BY N. S. KING — AUSTINMER PUBLIC SCHOOL CENTENARY.

Published in connection with the centenary celebrations of Austinmer Public School, "The Story of Austinmer", by Mr. N. S. King, a Past President of the Society, should be in print by the time this Bulletin appears. It is not only an account of the school, but a full history of Austinmer on a much larger scale than Mr. King's previous work, published by this Society in 1962. The author states that his aim has been to give the people of Austinmer a complete background of the development of the district.

The book, printed by Independent Print, Kiama, will be illustrated, with an attractive cover and priced at $1.00. Arrangements will be made to have it on sale at Society meetings and at the Museum; it will also be obtainable from the Principal, Public School, Austinmer.

On Thursday, 6th April, at 7.45 p.m., Mr. King will deliver an address illustrated with slides, at the main hall of the Austinmer Public School, to which visitors will be welcome.

He expects to be away about six months, visiting also the Continent and the Middle East. The Council and members of the Society join in wishing him a happy journey and a safe return.
