Heritage Book a Winner

A book written mostly by Wollongong University staff, mainly from the Department of Geography, has won a prize.

The Sir William McKell Award is presented by the Minister for Planning and Environment during Earth Week for excellence in environmental reporting.

The award this year went to "Illawarra Heritage", published by the Wollongong, Shellharbour and Kiama Environmental Heritage Committee, a body of 24 citizens 9 of whom are connected with the University in some capacity.

The Illawarra Mercury reported that

"Heritage officer Mr Steve Dovers accepted the award on behalf of the committee at a function in Sydney last week.

"It is pleasing to see the book honored in this way," he said. "It reinforces the favourable reaction it received in the Illawarra region."

Committee chairman Ald Bill Mowbray said he was delighted with the award.

"This area recognises the committee is doing a valuable job," he said. "It is an added bonus to see this recognition exists at State level as well."

Since the book was launched during Heritage Week in April more than 2000 copies have been sold.

Illawarra Heritage is still on sale in Wollongong bookshops. It was supported by Wollongong City Council, written by local experts and covers all aspects of the region's natural and cultural heritage."

NATIONAL AUSTRALIA BANK LEISURE COAST TRIATHLON SCHOLARSHIP

Scholarships of \$500 each have been awarded to Kim Proctor and Karen Ryan, two third year Physical and Health Education Students at the University of Wollongong.

Kim and Karen are the inaugural winners of a Scholarship established by the Leisure Coast Triathlon Committee from part of the proceeds of the Leisure Coast Triathlon which was sponsored by the National Australia Bank and run for the first time this year.

The Scholarship is awarded on the basis of academic performance and financial need. It is the first time such an award has been available to Physical and Health Education students. The Triathlon Committee hopes to increase the Scholarships in 1984. The next Triathlon will be held on Sunday April 15, 1984.

The awards will be presented at 10.30 a.m. on Friday, 7 October in the University Council room.

The Triathlon Scholarship is the result of initiatives by the Friends of the University of Wollongong. The Leisure Coast Triathlon Committee and the National Australia Bank are both now fully paid up Life Members of the Friends.

STAFF CLUB PROPOSED

Dr. Peter Burton has proposed that the University establish a Staff Club. The proposal will be considered by the Academic Senate in the first instance.

The reasons given for establishing a Staff Club are:

- (i) Sustained growth has led to overcrowding in Union.
- (ii) Lack of informal meeting ground of staff (over lunch).
- (iii) Lack of quiet area for staff discussions.
- (iv) Lack of congenial area for functions.
- (v) Need to promote integration of Institute and Faculty Staff.
- (vi) Need for greater feeling of cohesion among staff.

It is proposed that the project be financed by a University guaranteed loan over 25 years. The Club would service capital costs from membership fees and recurrent costs would be underwritten by the University initially and gradually taken over as Club patronage grows.

People eligible to join would be:

- (i) Permanent members of staff (academic, technical, general) (including members of Council and contract staff)
- (ii) Postgraduate (including graduands pursuing further studies)
- (iii) Continuing.

Continued Overleaf

STAFF CLUB (CONT.)

Fees would be:

- (i) Joining \$20, p.a. \$50
- (ii) Joining \$12, p.a. \$30
- (iii) p.a. \$25

The services proposed include:

- . Bistro style dining for 70 (extendable)
- . Bar/Lounge for 70 (extendable)
- . Outdoor terrace.

Staff would need to include:

- . Manager plus part-time Secretary
- . Chef plus 2
- . Barman plus 1

The Administration may be asked to conduct a survey of staff and postgraduate student's attitudes to the proposal.

5TH ANNUAL DISTINGUISHED PUBLIC LECTURE IN INDUSTRIAL RELATIONS

Sponsored by the Friends of the University

We have been fortunate this year in gaining the services of Simon Crean for the above event. Mr. Crean (son of Frank Crean, Labor Federal Treasurer 1972-74) is General Secretary of the Federated Storemen and Packers' Union, one of the largest unions in Australia, and a Vice-President of the A.C.T.U. He is the person most favoured to replace Cliff Dolan as President of the A.C.T.U. at the 1985 Congress, and is assured of attracting considerable interest in local business and union circles.

Mr. Crean, therefore, joins the list of very distinguished speakers at this event, including Sir Richard Kirby (former President of the Australian Conciliation and Arbitration Commission, and a member of the University's Council), Mr. Bryan Noakes, (Research Director of the Confederation of Australian Industry and about to become its head), and Ms. Blanche d'Alpuget (biographer of the Prime Minister and of Sir Richard Kirby). These speakers have traditionally attracted considerable patronage from local union and industry leaders, and in that way aided the University's Industrial Relations Programme in providing a genuine facility to the Community.

The lecture is part of the first year course "Wage Determination in Australia", but is open to the public. Mr. Crean is scheduled for 25th October, at 7.30 p.m. in Pentagon 1.

THE FRIENDS OF THE UNIVERSITY KEIRA GREEN CORRIDOR PROJECT

The next meeting of the Keira Green Corridor Project will be held on Wednesday, 2 November, 1983, at 12.30 p.m. in the Reception Room of Wollongong Town Hall. A light luncheon will be served.

TRAVELLING FOR LESS

If you are travelling overseas with your family for holidays, business or study, Student Services Australia Pty. Ltd. can help make the total bill cheaper.

If you have children who are full time students either at a secondary school or in tertiary study they will be eligible for an International Student Identity Card (ISIC).

The ISIC is an extremely useful card to take. It is recognised in over 55 countries around the world and enables the traveller access to world wide concessions and reductions on goods and services not available to the general public. These include the most useful areas for travellers such as discounts on travel and entry to cultural establishments. Many museums and galleries give free entry to ISIC holders.

The ISIC is also very valuable in Australia. It provides access to a multitude of retail, cultural and travel discounts via the National Student Discount Scheme.

Student Services Australia Pty. Ltd. a wholly owned company of the Australian Union of Students, issues the ISIC within Australia. Agents include some campus unions and offices of Student Travel Australia.

If the student union on your campus is not an agent and there is no accessible Student Travel Australia Office, contact either of the Student Services Australia offices at 207 Lygon St., Carlton 3053 (03) 3478306 or 1A Lee St., Railway Square, Sydney 2000, (02) 2123329.

MIGRANT HERITAGE CENTRE

Following the Public Meeting held on 15 September there appears to be sufficient community interest in the idea of establishing a Migrant Heritage Centre in the Illawarra.

A further public meeting to discuss detailed ways of proceeding with the project will be held at the University of Wollongong Union on Thursday, 20 October at 7.00 p.m. in the Common Room.

The meeting will specifically deal with:

- 1) the structuring of a Project Management Committee;
- 2) the development of a C.E.P. submission to enable a Project Officer and clerical support to be employed in the short-term planning phase of the project.

Readers are welcome at the meeting. Bring any ideas you may have concerning the project and its management and funding during the initial planning stage.

ILLAWARRA FOLK CLUB: BROOMHALL SINGS

The links between Broken Hill and Wollongong virtually
ceased in 1937 when the BHP withdrew their mining
operations from the Silver City. On Friday 7 October
however, the links between the Illawarra and Broken
Hill will be revived at the Folk Club when John Broom-
hall launches his first LP "The Broken Hill Miner".

"The Broken Hill Miner" is a collection of songs, all
of which have been written by John Broomhall. Most
of them relate to either John's childhood at the Hill
or its early history. Perhaps best known at Wollongong
folkies is Silverton, a song that John has performed
several times at the Folk Club. "The Broken Hill Miner"
and "Farewell to the Barrier" (to the tune of Johnny
Miner) are other songs that have had a wider airing.

The record was produced to make the Broken Hill
centenary and was produced with assistance from the
Music Board of the Australian Council.

John Broomhall will be well remembered by Illawarra
people as the city's first Community Arts Officer and a
member of both the North Bulli Bush Band and Currency
Folk.

Local musicians also feature heavily on the recording
with Alan Musgrave, Bert McKnight, Sid Brissington,
Roger Hargreaves, Anne Broomhall and Ray Taylor
providing musical support.

On the same programme will be popular local Irish
group Shannachie featuring Vince Brophy, Bert Mc-
Knight and Johnny Spillane.

The Folk Club concert will be at Beaton Park Junior
Tennis Clubhouse commencing at 8 p.m. Admission is
\$2 and bar facilities are available.

WUNDA FILMS

BOOOM

An animated film taking a humorous look at a very serious subject: the global arms race. Made by the world-famous Czech animator Bretislav Pojar, it takes a look at the history of aggression and the theory that might makes right. By extension, it carries us into the atomic and missile age postulating various scenarios for planetary self-destruction, both planned and accidental. Without narration, using only sound effects and music, the film asks the question: is this THE END? (UN)

IN THE MINDS OF MEN

Produced in response to a resolution of the UN General Assembly to make a film "with the hope of creating a genuine aversion to all wars in the future", "In The Minds Of Men" presents the horrors of war from the distant past to the technological present. Visually it is a compilation of rarely-viewed historical footage, graphically animated art work and highly evocative drawings by Hiroshima atom bomb victims and an international group of children. Original music and sound effects and the vocal comments of children combine with an intentionally brief narration to make up the soundtrack. The pictures and sounds of war and its aftermath are eloquent by themselves. (UN).

In his latest (many critics say his best) play, Williamson presents the diary of a marriage in crisis: "a fundamentally serious play about real people that fairly ripples with laughter" (Sydney Morning Herald). Directed by Des Davis, Designed by Ian Robinson.
With Peter Carmody as the Perfectionist and Julie
McGregor as his wife Barbara.
