3:30pm-6:30pm

WIRE JEWELLERY WORKSHOP
MARCH 28
Book Now - Limited spaces available.

This Makerspace Monday we're bringing you a sneak peek of what happened when the UOW Cosplay Society came to play. These guys proved that creativity knows no bounds and that skill has no limits when it comes to the Makerspace.

Whether you want to turn yourself into your favourite superhero, or just make a personalised gift for a friend, the Makerspace is the place to do it. So join us this week, we look forward to seeing you here!
UOW MakerSpace
