

VALE ISABEL MAYNES

(b. 11/10/06 - d. 10/8/96)

The Society extends its sympathy to Jack Maynes (and Harry and Jan and family) on the death of his wife, Isabel Ethel Maynes.

Society meetings, excursions and museum functions were a priority for Isabel - her presence was a joy.

Her door was always open and her hand always willing. Isabel's concern for others was a lifetime commitment and her work in the wider community knew no bounds.

Wollongong is the poorer with the passing of this great lady.
