

# **PUBLIC MEETING AT WESLEYAN/PRESBYTERIAN CEMETERY**

**Kenny Street/Fox Avenue, Wollongong**

The convenors, Carol and John Herben, were pleased to see such a large attendance at the public meeting held at this cemetery on Saturday March 27. Despite threatening weather requiring brief use of umbrellas, a large cross-section of the community was represented, as listed in Carol's letter to the Illawarra Mercury of April 9:

Wollongong City Council, National Trust, Ferguson House (Presbyterian Archives), Berkeley Pioneer Cemetery Restoration Group, Ryde District Historical Society, H Parsons funeral directors, Simpson's Memorials, Illawarra Historical Society, Illawarra Family History Group, and members of the public from Illawarra, Sydney and as far away as Young.

A further meeting at Wollongong City Memorial Gardens at 10am on Saturday April 10 elected officers and formed committees.
