VOLUME XIV NUMBER 3
1992

Kunapipi is a tri-annual arts magazine with special but not exclusive emphasis on the new literatures written in English. It aims to fulfil the requirements T.S. Eliot believed a journal should have: to introduce the work of new or little known writers of talent, to provide critical evaluation of the work of living authors, both famous and unknown, and to be truly international. It publishes creative material and criticism. Articles and reviews on related historical and sociological topics plus film will also be included as well as graphics and photographs.

The editor invites creative and scholarly contributions. Manuscripts should be double-spaced with footnotes gathered at the end, should conform to the MHRA (Modern Humanities Research Association) Style Sheet. Wherever possible the submission should be on disc (software preferably WordPerfect or Macwrite) and should be accompanied by a hard copy.

All correspondence - manuscripts, books for review, inquiries - should be sent to:
