In November we held a morning tea to thank all Museum volunteers. Special mention must be made of the help received from Warren, Tim, Tina and our new volunteers Darrielle Booth, Dianne and Don Morison, Scott Caine and Jan Carr.

Thank you all.

OBITUARY: Mr R J Pearson

Formerly a Manager of Metal Manufacturers, Bob Pearson was a man with many other interests besides education and history. He served with great credit as chairman on the council of the Wollongong Institute of Education, he was an active member of Port Kembla Rotary Club for more than 50 years and a member of our society from 1975 until his death last year at the age of 83 years.

Bob's range of interests made it difficult for him to attend meetings as regularly as he wished, and failing health took its toll in recent years. However his interest in history lives on through the photographic collection in the City Library, where one who clicks through the CD Rom: Illawarra Images may often find the words: Donor: R J Pearson.
