

VALE
Rev. John Campbell.

For some years both John and Helen Campbell have regularly attended our monthly meetings and went on bus trips when John was well enough. John had not been in good health this year and he last attended the May meeting. Being a retired Presbyterian Minister John spoke to our members some years ago in relation to his Campbell family history. John passed away on 6 June 2011. May we extend our deepest sympathy to his wife Helen and the Campbell family. CH
