The University does not authorise you to copy, communicate or otherwise make available electronically to any other person any copyright material contained on this site. You are reminded of the following:

Copyright owners are entitled to take legal action against persons who infringe their copyright. A reproduction of material that is protected by copyright may be a copyright infringement. A court may impose penalties and award damages in relation to offences and infringements relating to copyright material. Higher penalties may apply, and higher damages may be awarded, for offences and infringements involving the conversion of material into digital or electronic form.
Bibliography
Primary and Electronic Sources.

Methods of accessing newspaper articles changed during the course of researching this study. Newspaper articles have therefore been cited in three different formats:

1. Where an article has been used from a newspaper file, the newspaper has been cited.
2. Where an article from a newspaper has been found from the Reuters News Database, the originating newspaper has been cited with an acknowledgement to Reuters.
3. Where a newspaper article or any electronic source has been found on the internet, the full URL has been cited.
