

METROPOLIS FILM SCREENING AND TALK BY MICHAEL ORGAN

SUNDAY 3 FEBRUARY 2013, 12.30PM

Fritz Lang's *Metropolis* of 1927 presents the past, present and future in a Bauhaus-inspired film which brings together alchemy, technology, a robot, revolution, love and revenge in an unprecedented spectacle from Weimar Germany. Michael Organ will introduce the film and discuss its creation and ongoing influence. **Free, all welcome.**

Presented in conjunction with *Metropolis: Rotwang's Robot, Revolution and Redemption*, A selection of memorabilia relating to Fritz Lang's 1927 sci-fi fantasy film. From the collection of Michael Organ. **On display until 3 February 2013**
