English

Publications

Publications and Papers

nal of Commonwealth Literature published in Canberra, Australia includes the Post in Contemporary Australian Poetry, which will appear as a collection of essays. The Writer’s Sense of the Past will be published by the National University of Singapore as a collection of essays. A Companion to Olga Masters’ Loving Daughters and Alice Munro’s Lives of Girls and Women’ will appear in the Proceedings of the VII Triennial ACALCS Conference, which will be held in September/October, 1987. Two articles commissioned on the fiction of Olga Masters have now been written by Vivien J. Mok: ‘The Fiction of Olga Masters’, to Australian Literary Studies, and ‘Digging Deep: Olga Masters, Storyteller’, to Kunapipi. Acceptance has been received for two articles on Vivien J. Mok’s forthcoming book, ‘Vivien J. Mok: Two Lives of Girls and Women’. An invitation has been received to co-author a section on Australian humor with Mr. Barry Andrews of the Royal Military College, Duntroon, for the New Literacy History of Australia, edited by Dr. L. Herring of Queensland University, which is being brought out as a bi-centenary project.
