Glynn, John, "Conference opening - schedule of events" (2010). SBS HDR Student Conference. 11.
Description
Professor John Glynn, Executive Dean of the Sydney Business School will present the 'Welcome to Research Week' address. A copy of the conference schedule is attached, with a full list of the various speakers and panel sessions on offer.

Location
iC - SBS Teaching Facility

This event is available at Research Online: http://ro.uow.edu.au/sbshdr/2010/papers/11
Research conducted by higher degree students at the Sydney Business School will be showcased as well as research student workshops and information sessions.

The conference will be held at SBS's new purpose built teaching facility on UOW's Innovation Campus (iC). The conference welcomes members of the local business community, University’s students, staff and alumni.

The conference provides an ideal opportunity to network with University research staff and students.
