ARTS ADVISORY COMMITTEE ESTABLISHED

Art tells us who and where we are. It mirrors the development of the society in which it belongs, serving both an ornamental and cognitive function. As Hippocrates said: "Art is long, life is short".

Recognising the importance of art, the University is seeking to build up a substantive collection of quality artworks which will include paintings, drawings, weavings, sculpture, pottery and other craftworks.

Given the task of overseeing the purchase of works of art and developing a policy on artwork acquisition, is the recently established Arts Advisory Committee.

Members of the committee and the area they represent are: Professor K. McKinnon (Chairperson), Professor R. King (Senate), Mr C. Denley (Council), Mr J. Eveleigh (School of Creative Arts), Ms L. Jeneid (Academic Staff), Mr P. Wood (General Staff) and Mr J. Lee (Student Representative).

The Arts Advisory Committee has as its terms of reference:

(i) generally, to encourage and develop appreciation of art within the University;

(ii) to advise the Vice-Chancellor on the purchase, display and conservation of works of art owned by the University;

(iii) to prepare an annual budget for the Planning and Development Committee to provide for the purchase and maintenance of works of art;

(iv) to formulate a University policy on the acquisition of works of art;

(v) to undertake maintenance of an inventory, cataloguing and display (including policies for lending of works of art within the University).

Although a formal policy has not, as yet, been developed, the Committee favours the collection of quality works by young Australian artists (including some students' works) though not exclusively to other works of a high standard. Most Universities in Australia have a similar policy.

To this end a modest sum has been allocated for 1985,
1985 EQUITY PROJECT

The University has received $50,000 under the Participation and Equity Program to conduct a pilot project which will contribute to the longer-term improvement of access to higher education by disadvantaged groups in the Illawarra: the groups include Aborigines, women, disabled people, ethnic groups, young people from low-income families and people living in outer metropolitan and rural areas.

The University will be conducting this investigation in conjunction with Wollongong T.A.F.E. and a working group of the Illawarra Regional Co-ordinating Committee on Education. The first task will be to conduct research into the special needs of the various groups before determining the most beneficial preparation program.

As part of the research, the Planning and Development Section would be interested in hearing from any student or member of staff on issues such as:

- What are the problems faced by disadvantaged groups?
- What should be done about them?
- What sort of assistance would be most useful?

Please contact Trish Tindall, Planning and Development, ext 3945 or call in at the 1st floor, Administration Building.

DISAPPEARANCE OF FIRE EXTINGUISHERS

The disappearance of fire extinguishers from buildings on campus has reached epidemic proportions.

Obviously, fire extinguishers are essential for the safety of the staff and students on campus and those removing them are endangering the lives of other people. They are also liable to prosecution.

Staff and students are urged to report immediately to the Patrol Supervisor (ext 3936) incidents of people removing fire extinguishers from the campus.

A Survey of Art Acquisition Policies in Australian Universities and Colleges of Advanced Education (A.L. Bundy, Footscray Institute of Technology) is available, upon request, from the Secretary.

FAREWELL DINNER TO CHALLICE MOLDRICH

A farewell dinner to Challice Molderich will be held in the University Union on August 16 — a Friday. Time is 7 for 7.30 pm. A three-course meal will be served, and vegetarian meals will be available provided they are ordered when bookings are made. The price, $15 per person, will include beer, wine or orange juice.

LECTURE ON POTTERY OF PNG

A lecture on pottery arts of Papua New Guinea will be held in the School of Creative Arts auditorium on July 29.

The lecture will begin at 11.30 a.m.

HONOURS STUDENTS

The Undergraduate Studies Committee is currently investigating any problems confronting Honours students. A sub-committee has been formed and would welcome submissions from students regarding their experiences when they were doing Honours.

Members of the sub-committee are: Josie Castle - Department of History, Ext 3667; Beth Urwin - University Counsellor, Ext 3592; Jan Pincombe - School of Nursing, Ext 3570; Tom Jagtenberg - Department of Sociology, Ext 3745. They would be happy to discuss any issues students would like to raise.

TOM MOORE APPOINTED SUBMISSIONS AND RESEARCH CONTRACTS OFFICER

Tom Moore rejoined the staff of the University on July 15 after a period with the Macarthur Institute of Higher Education.

Tom first joined the then University College in 1973 when he was appointed as Administrative Officer in the Registrar’s Division. Over the next ten years he undertook a range of administrative duties but is probably best remembered for his work as the University’s Schools Liaison Officer in the Information and Publicity Section.

He was an elected staff representative on the University Council, an elected member of the Union Board of Management and was involved in numerous university and civic affairs. During his time at Macarthur Institute, he was responsible for a unit which included Student Administration, Secretariat, Information, Publicity, Research and Statistics.

Tom Moore has now accepted the new role in a position which will be concerned with developing and maintaining a Submission and Research Contracts Office and advising on all aspects of external funding. It will also involve establishing contacts with a wide range of external funding bodies and preparing and co-ordinating submissions for external funding.
On Friday July 19 Professor John Bloomfield, Senior Adviser to the Minister for Sport Recreation and Tourism, presented an $18,000 cheque to the Vice-Chancellor of the University, Professor Ken McKinnon, as a seeding grant for the establishment of the Illawarra Regional Institute of Sport Foundation, the first of its kind outside a capital city.

Funded by the Australian Federal Government initially, the Foundation has been established to help in identifying sporting potential in individuals and to assist in their training with the overall objective of optimising the sporting potential of sportsmen and sportswomen in the Illawarra region.

Preceding the official launch, members of the School of Health Sciences at the University subjected a number of students from local high schools to a range of scientific tests, aimed at identifying their strength, flexibility, lung capacity and aerobic capacity. The students, selected on the basis of their outstanding athletic ability, were tested alongside employees from local industry and post-coronary patients as part of the University's Better Life Project.

Later this year on August 26 and 27 the School of Health Sciences will host a Better Life Conference as part of their Better Life Project. The two-day conference will include addresses by two of the most prominent authorities in health lifestyles from North America, along with many notable speakers from Australia. The conference is directed towards the implementation of life improvement programs in Australia, and the overseas speakers will address delegates on the success of these programs in the U.S., and how they have benefited industry and the community in general.

TIME AND MOTION?

Wollongong City Council, in its efforts to cut down on waste and inefficiency, commissioned the University's Department of Business Policy and Operations to conduct an investigation of the City of Wollongong Symphony Orchestra.

Representatives of the Department attended a performance by the Orchestra of Schubert's "Unfinished Symphony". Here are some of the extracts from their report:

1. The four oboe players were idle for long periods. Work should be spread evenly over the whole orchestra to eliminate unprofitable peaks and troughs of activity.

2. All 12 violins appeared to be playing exactly the same tune. This represents excessive duplication. If a loud noise is really required, it would be more economic to employ two violins and an amplifier.

3. Too much attention is given to the playing of demi-semi quavers. All notes should be rounded up to the nearest semi quaver. This would open the way for cost saving through the employment of semi-skilled musicians on a lower wage.

4. There does not seem to be any obvious purpose in the repetition by the woodwind of a tune that has just been played by the strings. The elimination of this and other wasteful practices would reduce the length of the work by at least 15 minutes and should have enabled the composer to finish the symphony without difficulty.
University Day
OUR TENTH ANNIVERSARY

David Vance will conduct the concert he is to stage as part of the University tenth anniversary celebrations.

As part of the celebrations to mark the University's tenth anniversary on August 9, four fellowships are to be awarded in recognition of service to the community and or to the University. This is a new category of award and recipients will be Alderman Frank Arkell, Lord Mayor of Wollongong; Mr Lawrence Kelly, Speaker of the NSW state parliament and Deputy Chancellor of the University; Mr Merv Nixon, secretary of the South-Coast Labour Council, and Miss Ethel Hayton, benefactor to the University. And Mrs Thistle Stead, the well-known wild-life expert and conservationist will have conferred upon her the honorary degree of Doctor of Science.

As has been previously announced in Campus News, the anniversary is to be marked by a special graduation ceremony. The honorary degrees mentioned above will be awarded at the ceremony, and so, too, will the honorary degree of Doctor of Letters be awarded to the ex-governor of New South Wales, Sir Roden Cutler.

This is the one big occasion with which the University is marking its tenth anniversary and it is hoped that you will help us celebrate it. We expect a large gathering of new graduates, old graduates (particularly from our first graduation back in 1976), staff, ex-staff, and other Friends of the University.

As seating is limited, it is suggested that those intending to make up departmental or other parties should make their bookings early.

There will be pre-dinner drinks from 6.30 to 7 p.m. in the Union Common Room, with entertainment from the University Singers, followed by the celebration dinner and further entertainment. Cost is $20 a head.

Bookings close with the Union on Thursday, August 1.

As an important part of the tenth anniversary celebration David Vance, the University Music Development Officer, will be conducting a concert staged specifically for the anniversary celebration.

The concert will be held on Saturday October 12 in Wollongong Town Hall. David Vance reports that the ABC Sinfonia has been engaged and professional soloists booked.

The University Singers, expanded by students from the Campus Choir and with members of the University community, will perform, as the major program item, Mozart's Requiem. This might seem to some to be inappropriate fare for an anniversary celebration, but David Vance feels that the work is sure to attract an audience familiar with parts of the work through the film Amadeus, (a film to be screened by the University film group in October).

CAMPUS INTERVIEW PROGRAM 1985

If you want to be employed as a graduate in 1986, you need to participate in the University's Campus Interview Program to be held in August. The program is used by employers to inform students of career opportunities available in their organisations and to perform preliminary assessment of students’ suitability for graduate employment.

It is important that you communicate adequately, to the employers, your personal and academic strengths which will indicate that you are a potentially suitable employee. To help you develop your skills in this area there will be a seminar on Friday August 2 from 12.30 - 2.30 pm. The seminar will focus on career planning and interview preparation and presentation.

The closing date to make appointments for the seminar, information sessions and interviews is Wednesday July 31. All resumés must be returned by this date.

Further details from Marion Allen, Counselling Centre.

THE POLITICAL AND SOCIAL VISION OF ISLAM

A distinguished Islamic scholar, Dr Abdul Khaliq Kazi, is to visit the University on Wednesday August 14 to talk on the Political and Social Vision of Contemporary Islam. Dr Kazi comes from Pakistan and is a graduate of the University of al-Alzaher, Cairo, and the University of London. He is Senior Lecturer in Islamic Studies in the Department of Middle Eastern Studies, in the University of Melbourne.

His talk will be given in the Pentagon, starting at 7.30 pm. Further details from Dr S. Aly, 962566.

THE ROASTING OF GILES PICKFORD

Giles Pickford will be 'roasted' on Friday September 13 by the Wollongong Smith Family at the A.G.A. Club Germania.

Others who have made themselves available for the roasting are Hon. Frank Arkell, MLA and Lord Mayor
of Wollongong, Trevor Brew - Senior Assistant Secretary of the University of Wollongong, Michael McCrae - Sales Manager for WIN TV, Peter Newell - Editor of the Illawarra Mercury, Geoff Phillips - Breakfast Announcer of Radio Station 200, Pat Franks - Alderman of the City of Wollongong Council, Judy Yates - a leading hairdresser, Michael Gross - Co-ordinator in the Town Clerk's Co-ordination Unit, Ben Meek - Secretary/Manager of Friends of University, Rudi Peperkamp - Secretary/Manager of Wollongong Smith Family.

Scholarships and Prizes

Details of the scholarships and prizes below are displayed on the Campus News Notice Board situated at 49 Northfields Avenue. Application forms are available from the Student Enquiries Office.

1986 FULBRIGHT AWARDS FOR STUDY IN THE UNITED STATES

Twenty-five awards for study in the United States in the 1986-87 academic year are being offered by the Australian-American Educational Foundation.

The Fulbright awards are being offered in three categories - senior, postdoctoral and postgraduate. All candidates for the awards must be Australian citizens by birth or naturalisation and must agree to return to Australia after completion of the award. All awards must start between 1 July 1986 and 30 June 1987.

Senior and postgraduate awards are travel grants only and cover the costs of return travel from Australia to the United States. Postdoctoral fellowships cover the same travel costs and provide a maintenance allowance of $US 9,000 (about $A 13,245) per annum.

Senior awards which are tenable for three to 12 months, will be offered to people who hold senior academic posts, are leaders in the Arts or are senior practising members of their professions and who wish to study, lecture, research or carry out advanced professional training in the United States.

Postdoctoral fellowships, tenable for 12 months, will be offered to people who have recently completed or are about to complete a PhD and who plan to pursue postdoctoral study in the United States.

Postgraduate awards, tenable for 12 months, will be offered to students wishing to:

- study for a higher degree in America;
- undertake research in America which will earn credit towards an Australian higher degree; or
- wish to undertake advanced professional training.

Applications for the postdoctoral fellowships and the postgraduate awards close on 30 September 1986, and on 30 November 1985 for the senior awards. Application forms and further information are available from: The Secretary, Commonwealth Department of Education, (AAEF Awards), PO Box 826, Woden ACT 2606. Inquiries: Helen Dempster (062) 897137.

CALT EX SCHOLARSHIPS FOR WOMEN

Scholarship Scheme has been established by Caltex Oil (Australia) Pty Limited for postgraduate studies for Australian women. First awards in the scheme were made in 1977 and the basic conditions remained unaltered until 1983. With the significant increase in costs in postgraduate studies overseas, and in particular in the United Kingdom, it has now become necessary for the conditions of the Scheme to be substantially revised.

Current arrangements for the administration of the scheme involve the award of one National Scholarship valued at $44,000 in addition to six other State Prizes valued at $5000 each. The holder of the National Scholarship is selected from the winners of the State Prizes and thus the Principal award is valued at the very significant sum of $49,000.

The National Scholarship will be for a maximum of two years and is tenable at a university or tertiary institution in Europe, including the United Kingdom and Ireland, the United States of America and Canada, or an approved university or tertiary institution in any other country. It is valued at $22,000 (Aust.) per annum.

Applications close on 27 September 1985. Full details on Campus News notice board.

SEARCH FOR AMADEUS CONTINUES

The University Singers have limited vacancies for altos, sopranos, tenors and basses interested in joining the choir for the October performance of Mozart’s Requiem.

Weekly rehearsals begin mid-August with a preliminary meeting on July 28, at 2 pm.

Those interested in auditioning are invited to contact David Vance on ext 3617.

CONCERT FOR WORLD PEACE

The composer, Andrew Ford, lecturer in the University’s School of Creative Arts (and currently Bennelong Composer-in-Residence at the Sydney Opera House) is organising a gala event to mark the 40th anniversary of Hiroshima Day. The event will take place Saturday July 27 in Wollongong Town Hall. Starting time is 3 pm.

Wollongong City Council has donated the use of the Town Hall, and music publishers and soloists are donating their services. Proceeds will go to People for Nuclear Disarmament.

Highlights of the concert will be a performance of Threnody to the Victims of Hiroshima for 52 solo strings by Polish composer Penderecki.

The world-famous tenor Gerald English will be joined by horn player Robert Johnson in a performance of Benjamin Britten’s Serenade.

The combined forces of two orchestras - Wollongong Conservatorium and the City of Wollongong Symphony - will be conducted by Andrew Ford.

Tickets (available Town Hall and University Union) price $7 ($4).

Andrew Ford and Dr Jim Falk (author of Taking Australia off the Map and a noted authority on nuclear issues) will talk and answer questions.

DAMES AT SEA

The musical comedy Dames at Sea is to be presented by the School of Creative Arts beginning Thursday August 1 and running through to August 10. Performances will begin at 8 pm except on Sunday August 4 when there will be a matinee at 2 pm. The show will be staged at the Bridge Street Theatre of Theatre South, Coniston.

Dames at Sea is a musical in the great Hollywood tradition, with catchy, memorable tunes, leggy chorus girls, singing song writers and distraught directors, but where the boy always (with a ringing hit song) gets his girl in the end.

BRASS RUBBING EXHIBITION

To commemorate the 500th Anniversary of the death of King Richard III at Bosworth Field, an exhibition of brass rubbings will be held on August 9 and 10 at the home of Mrs Wendy Richardson, 1 Benjamin Road, Mt Kembla. Most of the rubbings on display were made
by Dr David Murray during his appointment at King’s College London (1971). They include the oldest surviving British brass, that of Sir John D'Aubernoun (1277), and represent civilian, clerical and military memorial brasses up to Tudor and Elizabethan times.

The exhibition will be opened by Dr David Murray at 7.30 pm on Friday August 9. Viewing times are:

7.30 pm - 10.30 pm Friday August 9; 10 am - 4.30 pm Saturday August 10.

Admission: $3 (Friday, by invitation, refreshments included); $2 Saturday, children free accompanied by adult(s).

All proceeds towards Marsden Rehabilitation Centre Unit 2 Amenities Fund. Please note that the brass rubbings are not for sale. For enquiries or invitations, telephone 712951 after 6 pm.

Discount Quiz

► What card gives you more discounts than any other card?
► What card gives you over 2000 discounts around Australia?
No! It’s not American Express or Bankcard. It’s the International Student Identity Card (for full-time students who can maximise discounts with this card) and the Australian Student Identity Card (for all students but this card does not get all discounts listed in the NSDS Directory). The National Student Discount Scheme Directory points you in the right direction.
