The house, "Wyewurk," still there with the name on the gate, stands in Craig Street, on the eastern or ocean side of the street. On that side are only three blocks of land, all built on. The house carries the old number 3 and when re-numbered by the new system will remain Number 3. The house faces the sea and stands on the top of the cliff with a fine view both north and south.

Many articles have been written about Lawrence, the most recent, possibly, being in "Walkabout" of November, 1967. It is available in the Wollongong City Library, as is a copy of the novel "Kangaroo."

**31 COLOUR PLATES RIVIERA FOR 20 CENTS.**

Best value ever in a 40 page booklet descriptive of the Illawarra coastal towns, villages and holiday resorts, is "Riviera Holiday" in large, clear type, covering the strip from Lake Illawarra to Ulladulla and Murrarangarang and including Kangaroo and Jamberoo Valleys.

This booklet is 8½" x 5½" and contains six full page colour pictures, 25 large colour plates and four black and white pictures. The centre page spread is a detailed map of the area.

The booklet is available from the council chambers at Albion Park, Kiama and Nowra. Our copy from the kiosk at Jamberoo Falls.

Highly recommended.

**BULLETIN ISSUES AT 10 CENTS PER COPY.**

Orders for back numbers, as well as current issues, are available as above.

As from July 1 only one copy of the bulletin will be supplied to each household unless otherwise requested.

**BUNGONIA SCHOOL CENTENARY AND GOULBURN SOCIETY.**

Goulburn and District Society's May bulletin (priced at 5c) reaches to eight pages of historical material about Bungonia and its school in connection with the centenary of the public school there.

Those interested might communicate with the secretary at Box 396, Goulburn.

**OUR WORKING PARTY FOR FOLK MUSEUM.**

Through the efforts of our councillors a pioneer slab hut has been secured for erection in the grounds of our museum.

To dismantle it and move the materials for re-erection at the museum a working party has been arranged to meet on Sunday, June 16 at 9.30 a.m. at the corner of Princes Highway and Marshall Mount Road.

All able bodied men are specially requested to attend in their working clothes. Further details are available from Mr. Beale, curator of our museum.
