PUMPKIN COTTAGE

The first home of Henry and Sarah Osborne of "Marshall Mount". From a sketch by Robert Hoddle (1832). One of the illustrations in the society's "Earliest Illawarra — by its explorers and pioneers" published to mark the Sesquicentenary of settlement in Illawarra in 1966 and which has been selling strongly during the Captain Cook Bi-Centenary Celebrations. Copies of this valuable source-book are available from the museum.
