“RACHEL HENNING PARK”—PERHAPS:

It is reported that a subdivision has been made at Gibson’s Road at Figtree and that the area is where Rachel Henning lived for some time and from which she wrote some of the letters recorded in the publication outlining her life there.

Our Society, through the chairman, Mr. Maynes, will make representations to the Heritage Council of Wollongong (recently formed) that the flood plain of the creek there be reserved as Rachel Henning Park.
