OBITUARY:

By the unexpected death of Mrs. Elsa Johanson on 12th November, the Society has lost a member of long standing, one of our regulars at meetings and on excursions. (Her last appearance at a Society gathering was as recent as the Yalwal trip in October). Her special interest among the Society's activities was the Museum, to which she gave valuable service as a supervisor and as a helper with Museum projects, notably the bottle display, which benefited greatly from her experience as a collector.

She will be much missed. Mr. Johanson, who was also a member of the Society, predeceased her several years ago. To her daughters (Mrs. F. March of Coniston, Mrs. W. Miller of Kiama and Mrs. N. Skeggs of Fairfield) the Society extends its deepest sympathy.
