Spencer Graham

We also record with regret the death of Mr. Spencer Graham, a member of the Society for many years. His family has been long associated with and very well-known in the Mount Kembla district, one of them (his brother Harry) being the first Mayor of the City of Greater Wollongong.

Mr. Graham was an active worker for the Society in its earlier days, his services including two terms (in 1957 and 1958) as a Councillor.

The Society extends sincere sympathy to Mrs. Graham and their family.
