OBITUARY

It is with very deep regret that we record the passing of Mr. Reg. Watters.

Reg was born at Maitland and educated in that district. On leaving school he joined the N.S.W. Government Railways at Maitland and served with the railways at various places in New South Wales. He came to the Illawarra district in the early 1940s, serving for some six years as Station Master at Unanderra, then transferring to Cringila. From there he went into retirement at Corrimal.

He was a member of the Society for many years. As long as his health permitted he was an active Museum worker and a regular participant in excursions.

To Mrs. Watters, who is a valued member of our Society and a tireless worker for the Museum, and to her family, the Society extends deepest sympathy.
