

**OBITUARY: Mrs. WINIFRED MACARTHUR ONSLOW**

The Society regretfully records the recent death of Mrs. Macarthur Onslow, whose passing severs a close link with Illawarra's past. Born as Winifred Hall Owen she was a member of one of our most prominent pioneer families. Though her marriage brought about her residence at Camden, she displayed her sense of affection for the locality of her origin, amongst other ways, in continuing membership of our Society. We extend our sincere sympathy to her daughters, and especially to Miss Annette Macarthur Onslow, who not only shows an interest in Illawarra by her membership, but is active in aspects of our work, contributing her well-known talents towards one of our cherished projects. Those talents, it is fair to say, came through the family of her mother: artists and personalities of charm from the earliest days.
