LIST OF SOURCES

The sources listed here are those used for Berry's life as a whole. No attempt has been made to confine the list to sources mentioned in the reference notes by identifying and deleting sources for chapters on matters not included in this thesis or lost in cutting the text.

Item details have been taken, as far as possible, from title pages. As a consequence, in some items usage varies from mine in the text of the thesis.

Anonymous items have been placed at the end of sections and listed chronologically by date of publication. Where the author has been identified his name is indicated in square brackets.
