Acknowledgments

The Centre for Health Service Development would like to thank all individuals and groups who responded to the survey, providing the information on which this report is based.

We would also like to gratefully acknowledge the contribution of members of the Australian Institute of Health and Welfare and Australian Centre for Asthma Monitoring. Valuable input was provided in relation to the development of the survey and the process of implementation, and considered feedback on this report was also given.

The funding to conduct the evaluation of the Asthma Management Program was provided by the Australian Government Department of Health and Ageing.
